city after another, and the "who all" more the grain than the man. The "who all" more the grain than the man. The "who all" more the grain than the man.

[illegible]

last, con-
ceded of \$180
to set fire
to the Alibon
ship. Arriving
at the ship under
Liverpool.
He, shortly
after the
news of the
Hull's
bombing,
ironically,
wrote to the
PTA: "The
news of the
Hull's bomb-
ing has
thrilled me
there
have
been
many
mechanical
of the four men who were attacking the boat,
the only one of them escaping the boat,
which resulted in one of them striking the boat
on the head with the paddle, killing him instantly."
The NEW GOVERNOR OF CANADA—The edi-
torial reports that the Queen Elizabeth II
will visit the Dominion of Canada in 1960.
Charles Stanley Mowbray is the fourth Viscount,
perage of Innes. The title was created in
1800, and the family first mentioned in 1797. The
Viscount (1819) was married in 1844 his second
daughter of the first Earl of Bathurst's sons, third
of his father in 1849) was educated at Trinity
College, Dublin, and studied for the Wesleyan
ministry. May, 1849, he was elected, M. P. for
Prestonmouth in July, 1852. In 1867 he was a
Justice Lord of the Treasury in Lord Palmerston's
Government. He was married in 1867 to
Elizabeth, daughter of Sir Francis Baring.
His family seats are Charlton and Elmshurst,
in the county of Wiltshire.

On Saturday the 24th of August, a statue
was erected to the memory of Francis
Abbey, the Apostle of Aspern, Middlesex.
The statue was erected by the Aspern
Abbey, John Henry, and Beverly Waugh,
who mentioned him in the Episcopal office—N. Y.
McKeeville.

The *Journal of Commerce*, of the 13th says:
"The British newspaper *London Agent of Limerick*
has, according to the *London Agent of Limerick*,
been sailing with this board to Baltimore, carried
this morning as a prize, having been taken by
the U. S. S. *Cumtongue* on the 20th inst. 35 miles
south of Cape Henry, and the *London Agent of Limerick*
has been taken by the *Cumtongue* on the 20th inst.
of the entrance to the Chesapeake. She arrived
in charge of prizes master, Alister and six seamen.

A frightful accident occurred at the Constan-
tinian, Philadelphia, on the 14th inst., by
which 13 dancing girls were shockingly bur-
ied, some of them have since died.

[illegible][illegible][illegible]

University students are frequently taken place in Western Virginia to the advantage of the Federalists.

Broadcasting extravaganza. Four-Sixty, Sheds \$4,700 a year. Extra save \$610 to \$820 a month.

A visit of ours on the Ohio and Indiana Railroad, conveying the 19th Illinois Regiment, all through a bridge in Heron, Indiana, yesterday, killing about ten and wounding many 100, millions is supposed to have been weakened.

It is reported that the rebels are leaving Western Virginia, and concentrating with Beauregard's army near Washington, and to quit our territory today, and is ritually defeated. Many of the leading Secretaries are under arrest. Several fighting continues to be reported in Missouri.

Bayron, Sept. 18.

Communication between the British Government and Mexico.

The Army and Navy Gazette says it is very likely that three old and thoroughly efficient lieutenants, the ex. bailiffs of the 18th, 19th, and 20th regiments, will be chosen. Possibly however, one of the new regiments now actually entering to say in the service, will "be too good for Canada."

By Telegraph to "Merchant's Exchange and Morning Chronicle."

Carex Bay, Sept. 28d.

Sussexian Ship. The ship, named the *Caroline*, left London for the West Indies at half past 5 o'clock on Sunday morning.

London Times editorially ridicules the passport system of America; says that England has no passport system, and that she would like to send some of their consuls down there to learn how they manage to do without one.
