THE GREAT Southern Piano House.

Wm. Knabe & Co., of Baltimore, and 5th Avenue, New York. The oldest Piano Manufacturers in America.

This firm have one of the finest and largest factories in the world (5 stories, covering about two and a half acres. For nearly half a century the name has been a guarantee to those looking for THE VERY BEST PIANO that could be produced.

They have unostentatiously won their great reputation by solid merit alone. During their history hundreds of firms in their line have had a puff of mushroom existence and passed away, while they have steadily gone on until now they enjoy a reputation not surpassed, if equalled, in the world. Owing to the Large demand for these Pianos in the United States and Canada, and even in Europe, combined with the high price they command, they have never been offered to the people of Nova Scotia, but being DETERMINED TO BE FIRST IN OUR OWN LINE we have the pleasure to announce that we have secured the Sole Agency for these noble instruments, and now with our varied stock can please the Artist, the Wealthy, the Refined, and Everybody else. Don't fail to see the "Knabe" or send for illustrated catalogue, with certificates from the great Artists.

MECHANICAL ORGUINETTE

AN AUTOMATIC REED ORGAN.

"THE ORGUINETTE may now be called a celebrated instrument. In tone it is akin to the Cabinet Organ, but the organ must be manipulated by an artist in order to produce music; the ORGUINETTE is on the other hand entirely mechanical in its action, and a trifling expense it can be made to furnish an unlimited supply of all kinds of music."—Toronto Globe.

"THE ORGUINETTE is indeed a musical wonder. It is a miniature reed organ, with an strong and melodious tone as the Cabinet Size. It surpasses the Cabinet Organ for the reason that the ingenious music can play it as well as the most accomplished professor. THE ORGUINETTE is strong and accurate in its mechanism, and consequently not liable to get out of order."—Montreal Gazette.

"THE ORGUINETTE is the most perfect automatic musical instrument yet invented; its repertoire is unlimited, the tone is remarkably good."—Montreal Star.
