A Physician's Testimony For Labatt's Stout.

Dear Sir—
 Speaking from personal experience I can state that your stout is one of the best in the world. I was very much run down and was advised to use Labatt's Porter and I have done for some time and I largely attribute to its effect my steady improvement in strength and weight. I deem it but justice to state and it certainly is a pleasure to me to add my testimony to the existing qualities, and I gladly recommend your stout as an excellent tonic and food in cases where such is required.
