The Representative Men OF THE New Testament.

By the Rev. George Matheson, D.D., LL. D., Author of "Studies of the Portrait of Christ," etc. \$1.75.

Dr. Matheson's two volumes dealing with the Representative Men of the Old Testament have enjoyed a large sale and wide popularity, and this volume of New Testament representatives will doubtless be even more welcome. The studies are again mental, not critical or historical. Each portrait embodies a distinct thought, and it has been the aim of Dr. Matheson simply to put one question to the figures as they stand before him: What is the message which each life brings?
