

Sunset Farm No. 2 Quality Shorthorns

SOME OF THE YOUNG STOCK IN OUR HERD

Sire at Head of Herd

"LANCASTER PRIDE"

by "Lord Lancaster." Dam, "Matchless Belle III."

Our breeding cows represent such well-known Scotch families as "Nonpareils," "Ladys," "Meadowflow-ers," "Lavenders," "Crimson," "Fuchias" and others. We have for sale a number of extra well-bred young bulls, fit for service, by "Glencoe," used at the Provincial Government Farm at Sedgewick for 2 years. Also a six-months-old bull calf by the same sire.

SIRE IN SERVICE

"Escana Favourite" by "Right Sort"
dam "Escana Bessie" by "Royal Favourite"

35 head of choice breeding matrons, the former celebrated herd of Senator W. C. Edwards, Rockwood, Ont., and representing the leading Scotch families of "Clippers," "Missies," "Marr Mands," "Duchess of Glosters," "Brawith Buds," "Broadhooks," "Lady Lancasters," "Victorias," "Secrets," "Elizas," and others of equally famous blood lines. Just as good as anything the Old Country can produce in breeding and pedigree. I have no stock for sale at the present time, with the exception of three or four bull calves, by "Maxwalton Carroll," and "Goldfinder," and these are a credit to the Shorthorn breed.

Farm nine miles from Lajord, on the Regina-Arcola branch of the C.P.R. Visitors are welcome.

UNRESERVED AUCTION SALE of Pure-Bred Dual-Purpose SHORTHORNS

At the Alberta Stock Yards, Calgary
DECEMBER 13th, 1918, at 12.30 noon

Owing to change of management the Canadian Pacific Railway Department of Natural Resources, is selling its entire herd of 75 Pedigreed Shorthorns of Dual-Purpose Breeding from the Strathmore Demonstration and Supply Farm

This Offering comprises

17 Choice Young Bulls under 2 years.
30 Excellent Producing Cows, 3 years and over.
28 Grand Heifers 2 years and under.

All the above animals are free from Tuberculosis and other contagious diseases. The outlook for this class of stock was never better and breeders should not miss this rare opportunity of selection from this choice collection of excellent cows and promising young heifers and bulls.

All animals will be at purchasers' risk as soon as bid off, but, if required, assistance will be given in loading. Pedigree certificates will be available so that purchasers may secure advantage of pure-bred live-stock shipping rates.

Terms Cash.

For full information regarding pedigrees and breeding of these animals write for Catalogue to:—

or,—

A. LAYZELL, Auctioneer,
Alberta Stock Yards,
Calgary, Alta.

Superintendent of Agriculture and
Animal Industry,
Department Natural Resources, C.P.R.,
Calgary, Alta.

Animals will be on view at Alberta Stock Yards for two days prior to sale.

Scotch- Topped Shorthorns

My herd is headed by "Bal-
bride Chief," imp., 107278,
bred by Alex. Reid, Durris,
Aberdeenshire, Scotland;
sire, "Marksmen," 136765;
dam, "Bessie 38th," imp.

The majority of my breeding cows are sired by "Choice Hero," 58126, by "Choice Arthur," imp., 50025, and "Village Hero," 103201, and trace back on their dams' side to "Beauty," imp., 30. My two-year-old heifers are sired by "Willow Ridge Marquis," 95543, by "Gairford Marquis." There are no better bred cattle anywhere. I have nothing for sale at present but hope to offer young stock next year.
