HORSESHOER AND GENERAL BLACKSMITH, Shop opposite the Bank, mildmay, Ont.

Having had a long experience both in Canada and the United States, I am confident I can give satisfaction in every line of my trade. my most careful attention given to shoeing especially to horses with bad feet.

I also have a process and the tools for welding new steel plates on the cultivator teeth of Seed Drills, or I can sharpen the old ones (if they are not worn back too far) without drawing out the iron part, which leaves a solid steel point, the same as when new.

Charges low. Give me a call and be convinced.
