As the ship docked a bunch of wounded Canadian boys were leaning over the rail.

"Say, there," cried one fellow, who wore a Glangarry. "Is there anybody down there who had a chew of tobacco to spare? I ain't had and I want a chew as quick as I can get it."

Some one in the crowd produced the necessary weed and it was rummaged up to him. Soon afterwards the ship was again said:

"How's the war news? I haven't heard anything since I got on board."

"He was told that the Germans had been repulsed in their attack on Verdun."

"Good stuff," was his reply. "Were there any Canadians in the mud?"

"When he got the answer in the negative, he seemed to be sorry that the Canadian boys missed it."

"Say, we didn't do much last year, we Canadians. We're the boys who are going to win this year, and don't you forget it. Last year we spent our time getting ice-hold, but this summer there'll be something doing all right, alright. Sorry I can't be there to see the fun."

He was a Hamilton, Ontario, boy, and wanted to know if Hamilton was going to be in the Canadian baseball league this season in the next breath.

"Say, it's too cold here in St. John to wear kilts. I put mine on and thought I could sort them around a bit, but I guess I'll have to go back and get something warmer."

Shining the lamp back into his stateroom to add to his apparel.

ASSIST NATURE. There are times when you should take a course of treatment to clean your system—if you will take Dr. Williams' Pink Pills for Pale People. This great medicine will be successful. This great medicine purifies and builds up as nothing else does.

YOUR SICK CHILD IS CONSTIPATED! LOOK AT TONGUE

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given.

If your little one is out-of-sorts, half sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that his little stomach, liver and bowels are clogged with waste.

When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

Mothers can see just giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs;" then see that it is made by the "California Fig Syrup Company."

A military guard has been placed around the jail and Court House property at Sandusky, Ohio, since the Peabody factory at Windsor some months ago, is confined and will be tried to-day.

THE CRISIS IN THE UNITED STATES

Washington, March 6.—With the return to-day of President Wilson and members of Congress from week-end trips, with the meeting of the house rules committee and the presence here of William Jennings Bryan, the issue was revived. Action on the proposal to warn Americans off armed merchantmen, defeat of which has been urged by President Wilson to strengthen his hands in the negotiations with Germany, had been postponed by the House until to-morrow because of the absence of so many members on week-end trips.

The President had an engagement to confer with Representatives Bennett of New York and Lenroot of Wisconsin, members of the rules committee, which is to pave the way for a vote on the armed ship issue while Mr. Bryan had a luncheon engagement with Representative Bailey at the hotel within a stone's throw of the capitol.

The task before the rules committee to-day was the framing of a rule to bring before the House to-morrow a vote on the armed ship issue while Mr. Bryan had a luncheon engagement with Representative Bailey at the hotel within a stone's throw of the capitol.
