MISS BERTHA BENNET BURLEIGH LECTURES IN KENTVILLE FRI. NIGHT.

Miss Bertha B. Burleigh the talented daughter of the great English War Correspondent and Writer is to lecture in Kentville this week. She was in Halifax last month and took that city by storm. On her way to New York she was met at the station here by several citizens and requested to give Kentville one of her lectures and she consented. She arrives from Montreal and St. John on Friday and lectures here that evening. It will be given under the auspices and for the benefit of the Red Cross and certainly no one should miss this rare treat. She has spent much time in Europe and in battle centres and her stories and descriptions of actual scenes and atrocities is a revelation to her hearers. She is a most talented speaker the ability of description mantle of her renowned father having fallen upon her. Every Red Cross Society in the vicinity should organize to find the means of coming to Kentville to hear her.
