THE ATHENS REPORTER SEPT. 2 1908

TRAIN BLOWN UP; SEVEN PERSONS KILLED.

King Peter Condemned to Death an Editor and Five Officers.

bound daily express from Buda Pesth to Constantinople was blown up near Kulell Burgas, about 25 miles south af Adrianople, early this morning. Seven persons were killed and 15 were injured. Dynamite bombs were used. Every car was smashed. Ap-

correspondent of Belgrade says King Poter is determined to suppress military malcontents with an iron military matcontents with an iron hand. On Tuesday three colonels, two captains and a newspaper edi-tor were condemned to death for for participating in a plot, which was discovered, and rendered abortive. Despite this, however, says the corndent, the King is obviously in the hands of the recent regicides, who are causing a veritable reign who are of terror.

Turkey's Answer.

Vienna, Aug. 31 .- It is stated that the Porte is preparing an answer to the recent Bulgarian memoranto the recent Bulgaria memoran-dum to the powers by a note de-claring Bulgaria to be directly re-sponsible for the rising in the Vil-sponsible for the rising in the Vil-to be answerable for the conse-quence. There is also talk of the presence of a Turko-Greece Alli-

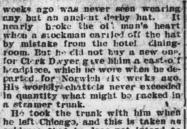

Sofia, Bulgaria, Aug. 31 .- The east | ing the situation in the Balkans, ing the situation in the Balkans, says a war between Turkey and Bulgaria is no longer regarded as the only remedy. It seems prohable that to save appearances Austria respondent of the Times, discuss-and Russia will support an ampli-fied reform scheme. It is quite clear that -a new departure must be made. The visit of the Cas: to Vi-

used. Every car was smashed. Ap-parently the outrage was the work of revolutionists, who travelled on the train. Peter's Hands Full. London, Aug. 31.—The Daily Mail correspondent of Belgrade anys King Peter is determined to suppress coived orders to pursue the rebels into Bulgaria.

Telegrams from Burgas, Turk 2y, seventy-six miles northeast of Adrianople, state that a Russian cruiser has entered that port. Ex-citement is increasing in Servia, contimes the correspondent of the Times, on account of the Macdonian rebel ion. The radical leaders are in-clined to advocate the establishment

of au Eutonomous government in Macedonia, provided that due al'ow-ance is made for Servian ciaims in the district north of Shar.

Five of a Crew Lost. Stonington, Conn., Aug. 31.—The Metropolitan steamsh'p H. M. Whit-ney, from New York to Boston, ran down and sank the schooner John Boothe, just west of New Haven dur-ing last high? Discussing the Situation. London, Aug. 31.—The Sofia cor-drowned.

Even the birtender of the Transit House has his reminiscence of the co-centric milliovaire. "Old Stevie used to come in here after Claner every day," said he, "and buy a drink of whiskey. Then he would go out without prying for it. About 5 o'clock he would come in and buy another drink and lay down a quarter for the two. He wasn't going to pay 15 cents aplece, not Stevie. We had to break Stevie off the habit-of gaying that way, I the habit-of raying that way, I mean-and for weeks he wasn't the -same man."

CARRY WAR TO THE SEA. nians Resolve to Keep or face

Fighting for Liberty.

Constantinopic, 'Ang. 31.- "Carry the war to the sea coast!" is the latest battle ery of the Macedonian insurgants. This plan is designed to tring the conflict more directly be-fore the cyss of Europe and com-pel the Turkish Government to weak-en its forces in the heterior. Military critics noint out that Socrefor the critics point out that Sarafoff, the Bulgarian leader of the revolution-ists, has been contriving to surprise the shrewdest of the Turkish com-

the shrewdest of the Turkish com-manders in several parts of the the-atro of operations. They also declare that the Macé-donians who are in arms are rapid-ly acculring military insbits in thought, action, and endurance, the methods of the brigand having been put askle in a remarkable manner during many of the recent operations. This charge shows an increasing abil-

This change shows an increasing abil-

This charge shows an increasing abl-ity to cope with the Sultan's forces. At immense mass meeting of Mace-donians took place here this after-roon. They were most enthusiastic. It resolved that a memorandum should be presented to the represen-tatives of the great powers at Solia, urging their Governments to take action. The speakers impassionately appealed for the immediate intervea-tion of the powers in Macedonia detion of the powers in Macedonia, de-claring that if the pouring out of blood continued in Macedonia another fortnight, Europe would find nobody there to save.

MILLIONS OF ACRES.

C. P. R. to Embark on a Big Irri gation Project.

Montreal, Aug. 31.-The C. P. R

Montreal, Aug. 31.—The C. P. R. Irrigation scheme, which has been talked of for a long time, is about to be put into operation. This scheme, which is to be^{*}employed in the Northwest Territories, in dis-tricts which have hitherto been re-garded as hopeless from the point of view of agriculture, will neces-sitate the spending of a large amount of money, but according to Mr. W. Whyte, assistant to the president, who was the first to conceive the possibility of irriga-tion on a large scale, the returns

conceive the possibility of irriga-tion on a large scale, the returns will amply pay for the outlay. Mr. Whyte has organized a corps of as-sistants to carry out his idea. He has been for some time past, with the president, Sir Thomas Shaughnessy, and has now return-ed to the Northwest to undertake his scheme, which has been ap-proved by the Executive. Compe-tent engineers have been employed and several experts from the west

and several experts from the west and the United States have been called in for advice and suggestion. The result of all this is that the Irrigation works are to be set on foot, and something like two mil-lion acres of land, in all, are like-ly to be rescued and brought un-

first contingents, and adds that they were picked bodies or men, chosen from among a large number of ap-plicants, chiefly of a kind well sul-ied to the conditions of war in South Africa. If, as an important witness wild, they were not so useful as Bri-tish troops for a serious attack which had to be driven home, they on the whole, were more akin to the Boer than to the regular individual His workly chartche never exceeded in quantity what might be racked in a steamer trunk. He took the trunk with him when he left Chicago, and this is taken as evidence that he does not intend to return. Even the burtender of the Tran^sti Houso has his reminiscence of the ee-centric millionaire. "Old Stevie used to come in here after Clinner every day," sail he, "and buy a drink of whiskey. Then

Union Men Wore Non-union Trousers Dunkirk, Aug. 31.—It was discov-ered upon the arrival of the con-signment of white duck trousers for the Knights of St. George to wear at their turn-out to-night in Buf-falo that the garments had been made by non-union labor. The Knights are mostly union men, and for a time it was believed they must refuse to wear the trousers, and

friend of the bridegroom, and went direct to Jersey City, where ar-rangements had been made for the marriage ceremony to be per-formed. However great may have been the schock to M 63 Russel and Mr. Ein-etch when they learned of their orthed marriage, all has now time for the parade.

MAN GIVES AWAY MILLION.

Eccentric Chicagoan Declares He Wants to See

WHAT WILL BE DONE WITH IT.

Chicago, Aug. 31.—An eccentric and aged stock yards millionaire, Stephen B. Roath, annuaced yesterday that he had just settled a million dollars on a chosen set of relatives, "just to see how they would use the

Roath was a life-long associate of John B. Sherman, father of the Checago stock yards, and has occu-pied the same room at the Transit House for thirty-cight years. In giving away his fortime, Mr. Reath does not propose to wait till death shall reduce his hold on his heirs to the questionable influence which may be exerted via media from the other world. He makes it clear that upon the behavior of the beneficiaries depends the final divi-sion of the property. He expects an epidemic of good examples in his fami-ity.

The eccentric stockman is just now, at his old home in Norwich, Conn., where he has completed legal steps said to have been attracted by the declared jurpess of Andrew Carnegie and D. K. Pearsons to die poor. One peculiar feature of his, gitts is that practically all go to poor families, each receiving an independent fortune Mr. Routh is estimated to have an-

what he will do with it. The scheme for supervising the dis-tursing his fecture is just prother

ou hoi the cl. all ecentric career of Mr. Roath. The sottlements he

Louis P. Roath, of Norwich, his rother, \$2,50,000, Mrs. Ethnicein Randall, his sister, \$250,000.

deccased sister, each, \$50,000, as follows: Mrs. Harry H. Walker, Brooklyn; Geard L. Parker, Cincin-nati; Mrs. H. B. Norton, Mrs. Mar-tin E. Jensen and Harry F. Parker, of Normich

"I had fun accumulating the "I had fun accumulating the money," said Mr. Roath yesterday in Norwich, "and now want to see what my relatives will do with it. If I have done anything to make my relatives happy I want to see the results, and I don't want to have anybody fighting for the morey

anybody fighting for the money money when I am dead." Mr. Roath left the city for Norwich early in July, and went about secretly arranging for the gifts. Stephen B. Meech, President of the Thances National Bank, assisted him. Reports from Norwien indi-

cate general reliciting. The brother, Louis P. Roath, hig two sons, one a conductor and one an engineer on the New York, New Haven and Hartford Railroad. Each will ultimate-ly have \$125,000. The son of Mrs. Jensen will enter Yale this fall aftor having given up this cherished purpose. Elwin A. Roath, employed for twenty years on the Norwich line, will be able to give up steamboating and will take care of his quarter of a million. It was when the old Lake Shore

It was when the out Lake Shore Stock-Yards were at Twenty-second street that Mr. Roath came to Chi-cago forty years ago. At that time John R. Skerman owned the old Bail's Head Hotel, the rendezvous of the stockmen of those days. Mr. Sher-man took a liking to Roath, who was 35 years old, and employed him as clored of the botal

as clerk of the hotel. When Mr. Sherman founded the stock yards in their present loca-tion, he took Roath with him. Roath then became live stock agent for the Michigan Central, a position which he held for te nyears. Later he went back to the stock yards company where he was known to every stock shipper as the man who signed tick-ets on weights. He retired twenty years ago.

Many stories are told of the parsi-Miny stories are told of man. He More S250,000. Mrs. Eleviteth Randall, his sister, 250,000. Edwin A. Roath, nephew, \$250,000. Children of Mrs. Henry L, Parker, those twenty years, and till a few

der cultivation. TOO POOR TO BUY A COFFIN. MANITOBA WHEAT.

Her Baby' A Rosebush Became First Shipment Arrived at Winnipeg Y. st .rday. Tomb.

Winnipeg, Aug. 31.-The first ship-ment o. new wheat has been re-ceived. It came from Altona, Man. and graded No. 2 northern. Last and graded No. 2 northern. Last year's first shipment arrived on Sep-tember 1st. The price received this year was 71 cents. The grade is not regarded as satisfactory, but this is no criterion of what the aver-age run of the wheat will be. The grade No. 2 northern was given ow-ing to the fact that is reas filled

as a coffin, and, entering the Catholic cometery in West avenue, Jersey City, yesterday, deposited the body under a rosebush at the edge of one of the paths. It was found six hours later and taken to Hughes' morgue There were no marks of violence or age run of the wheat will be. The grade No. 2 northern was given ow-ing to the fact that it was filled with foreign seed and with weeds. "I believe," said one of the officials of a no ling company, "that with continuance of dry weather we will have this year as much No. 1 hard wheat as we had last. The weather is not responsible for the low grade the body, and the county physician said that it had did a natural death salt that it had do a batterial death Exist. The worker was too poor to pay for a burial for her babe, and deposited the body under the rose-bush, b listing the cemetery official: would place it in a grave. wheat as we had last. The weather is not responsible for the low grade given this first shipment, and " this first lot has come below the highest because it is only from a small area, and does not give any idea of what

th gradee will be even in this dis-trict."
