SHERMAN'S SUCCESS

Near Athens, up against it,
In the land of Root or die.
We have found our inspiration,
Wife and I.
Toiling up the hill called Have to,
Competition for our guide,
We have made the sort of effort
That was never yet denied.

In the way of Can't and Couldn't,
With their brother What's-the-use,
While our dearest foe, Born weary,
Seized with joy each poor excuse,
Yet behind us, unrelenting.

Drove our heartless master, "Must."
And our feet essayed no lagging,
Spite of hill or heat or dust—

It was their we grew the sinews
For the struggle, wife and I—
Near Athens, up against it,
In the land of Root-or die.

Near Athens, up against it,
In the land of Root-or die,
We discovered force undreamed of,
Wife and I.

There were heart aches in the journey,
Little, then, our master cared,
As along the stony highway,
Under whip and spur, we fared.
Bread and Butter trudged beside us,
With a keen and ruthless goad,
That would quicken halting footsteps
If we lingered on the road.

Pride and Spunk, two comely sisters,
Lured us on with myriad wiles—
All the master's wiles were pleasant
As we journeyed o'er the miles;
So our hearts grew strong to conquer,
As we plodded, wife and I,
But we've passed the Up-against-it,
In the land of Root-or die.

A RELIABLE SPRING MEDICINE

Recommended to the People of Athens

At this season of the year there is hardly a man, woman or child in Athens who does not need a medicine to purify and enrich the blood, to induce an appetite, to promote digestion and create strength, and we are safe in saying we have never sold anything in our store equal to the cod liver preparation Vinol for this purpose.

The reason Vinol is so far superior to old-fashioned cod liver oil and emulsions is because it is made by a scientific, extractive and concentrating process from fresh cods' livers, combining with phosphate of iron all the medicinal, healing and body building elements of cod liver oil, but no oil.

As a spring medicine and a body builder and strength creator for old people, delicate children, weak, run-down persons, and after sickness Vinol is unexcelled, and you know what you are taking.

Mrs. Rose Lavigne, of Burlington, Vt. writes: "Vinol is the best spring medicine I have ever used; it creates an appetite, purifies the blood and takes away all feeling of lassitude."

We could go on quoting from hundreds of such letters, but simply ask the people of Athens to try Vinol this spring on our guarantee to return money if they are not benefited.

SAVE THIS ANYWAY

Here is a simple home-made mixture as given by an eminent authority on Kidney diseases, who makes the statement in a New York daily newspaper, that it will relieve almost any case of Kidney trouble if taken before that stage of Bright's disease. He states that such symptoms as lame back, pain in the side, frequent desire to urinate, especially at night; painful and discolored urination, are readily overcome. Here is the recipe, try it:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Take a teaspoonful after each meal and at bedtime.

A well-known druggist here in town is authority that these ingredients are all harmless and easily mixed at home by shaking well in a bottle. This mixture has a peculiar healing and soothing effect upon the entire Kidney and Urinary structure, and often overcomes the worst of Rheumatism in just a little while. This mixture is said to remove all blood disorders and cure the Rheumatism by forcing the Kidneys to filter and strain from the blood and system all uric acid and foul, decomposed waste matter, which cause these afflictions. Try it if you aren't well. Save the prescription.

Catarrh,

Called an American disease, is cured by an American medicine, originated and prepared in the most catarrhal of American countries.

That medicine is Hood's Sarsaparilla.

It cures radically and permanently, in that it removes the cause, cleansing the blood of scrofulous and all other impurities. It overcomes all the effects of catarrh, too, and builds up the whole system.

Death of William Percival

Early on Sunday morning last Mr. William Percival, one of the aged residents of our village, passed peacefully away. He had not been well for over a year, but was confined to his bed for only a week before his death.

Deceased was born and has always resided in the vicinity of Unionville, where he followed farming successfully for a number of years and where he gained and held the esteem of the people of that neighborhood. His wife died about thirty years ago, and lately he has made his home with his daughter Mrs. R. G. Latimer, Athens, who is the only survivor of his family. He had reached the 80th year of his age.

In the presence of many sympathizing friends, service was conducted at the home on Monday by Rev. B. B. Patterson, rector of Christ church, and the remains were deposited in the vault.

Give Fair Play to Zutoo

A really reliable remedy for headache Zutoo.

If you have got it into your head that Zutoo Tablets will hurt you, you are mistaken.

It isn't fair to us for you to judge Zutoo by other headache cures. The fair thing for both of us is to judge Zutoo on its merits—to test it.

If you find it does not cure your headache, sick, nervous or otherwise, in twenty minutes, break up a cold in a night and leave you feeling good every time—no bad after effects, then discard it.

But do not condemn it unfairly without a trial, and keep on suffering. You really do not have to, and one trial of Zutoo will prove it.

We'll send trial tablets for nothing, or you can buy them at dealers in dr. and eye packages.

Read the following testimonial from a man you all know:

Portland, Feb. 8, 1908

Mr. W. A. Singleton,
Crosby, Ont.
Dear Sir—In the winter of 1905 I was laid up with La Grippe and unable to get relief from several other patent medicines. I was convinced by several of my neighbors to try St. Regis Lumbago Cure, and I can thankfully say it was the first thing that gave me immediate relief. Since that time I have never been without it in my house, and cannot speak too highly of it, especially for children, as it will break up a cold at once. I have also found it a sure cure for lame back. You are at liberty to use my name for reference if you wish to publish it for the benefit of others. I am yours truly,

C. A. VANKOUGHNET.
