Ask your doctor how long he has known Ayer's Cherry Pectoral. Ask him if he uses it himself, in his own family. Ask him if he can recommend anything better for throat and lung troubles, such as hard coughs and colds, hoarseness, bronchitis, weak lungs. Do as he says, at any rate. We are willing.

HAVE LITTLE HOPE

Head of Saskatchewan Government

Regina, Sask., Dec. 28.—Hon. Walter Scott, Premier of Saskatchewan, is seriously ill with pneumonia, and so grave is his case that the doctors are holding out little hopes of his recovery.

INVESTIGATE DUCAL REGIME.

Defeat of Russians by Japs Attributed to Naval Scandal. St. Petersburg, Dec. 28.—A strong effort is now being made with influential official backing to compel the authorities to make an enquiry into the naval scandals of the Grand Ducal regime, to which the defeat of the Russians at the battle of the Sea of Japan, is largely attributed.

Russian Consul Suicides. Liverpool, Dec. 28.—The Russian consul here, Col. de Kiemann, was found dead in bed yesterday of a pistol shot wound. Col. de Kiemann had committed suicide in a determined manner. He had been depressed for some time owing to private affairs.

Socialists Will Compel Citizens. Lodz, Russian Poland, Dec. 28.—In view of the lockout which, according to announcement, will begin in all the principal factories here on Dec. 29, the Socialists of Lodz are threatening to organize street fights and to compel citizens, at the point of the revolver, to feed and lodge the unemployed. Many wealthy families have already left the city in the fear of disturbances.

Bomb Outrage. Khargov, Russia, Dec. 28.—An unknown traveler dropped a bomb in the railway station here Wednesday evening upon alighting from an incoming train. Two passengers were killed and many were wounded by the explosion.

Someone Swung Lantern.

Brantford, Dec. 28.—The inquest into the death of James Dymont, fireman, who was killed in the collision in the Grand Trunk freight yards was opened yesterday afternoon by Coroner Fissette. Switchman Smuck admitted partial responsibility, having left the semaphore up. This allowed the freight train to enter the yards. He cited special orders of the company, however, by which no train came in without a lantern signal from the yard switchman. This signal Conductor O'Brien, in charge of the train, claims to have seen. Smuck swore he was eating his lunch and the signal must have been given by another yardman. The inquest was adjourned until Saturday to throw further light on the question at issue as to who gave the lantern signal.

McInnes in Victoria.

Victoria, B.C., Dec. 28.—A nomination for the Provincial Legislature has been offered W. B. McInnes, a Victoria Liberal, and he will probably head the ticket in this city. Premier McBride will run here, as well as in Dewdney.

INTERNATIONAL S. S. LESSON FOR TO-MORROW.

Review—Fourth Quarter.

Golden Text—His name shall be called Wonderful, Counselor, Mighty God, everlasting Father, Prince of Peace.

To-morrow we review the last 12 lessons of 1906. It is a duty often dreaded or neglected in our schools, and always difficult. Have you ever tried a written review in your class? Providing each scholar with paper and pencil and following very slowly and clearly, and taking time to have the scholars write their answers, which you could review during the week and who were the best the next Sunday, perhaps giving some slight reward to stimulate study.

MADE FROM NATIVE ROOTS.

SAFE AND RELIABLE.

That the roots of many native plants, growing wild in our American forests, possess remarkable properties for the cure of human maladies is well proven. Even the untamed Indian has learned the curative value of some of these and taught the early settlers their uses. The Indian never liked work so he wanted his square to get well as soon as possible. Therefore, he dug "popose root" for her, for that was their great remedy for female weakness. Dr. Pierce uses the same root—called Blue Cohosh—in his "Favorite Prescription," skillfully combined with other potent herbs, is more effective than any other medicine in curing all the various weaknesses and painful derangements peculiar to women. Many afflicted women have been saved from the operating table and the surgeon's knife by the timely use of Doctor Pierce's Favorite Prescription. Tenderness over the lower pelvic region, with headache, spells of dizziness, faintness, bearing down pains or distress should not go unheeded. A course of "Favorite Prescription" will work marvelous benefits in all such cases, and generally effect a permanent cure if persisted in for a reasonable length of time. The "Favorite Prescription" is a harmless agent, being wholly prepared from native medicinal roots, without a drop of alcohol in its make up, whereas all other medicines put up for sale through druggists for women's peculiar ailments, contain large quantities of spirituous liquors, which are very harmful, especially to delicate women. "Favorite Prescription" contains neither alcohol nor harmful habit-forming drugs. All its ingredients are printed on each bottle wrapper. It is a powerful invigorating tonic, imparting health and strength in particular to the organs distinctly feminine. For weak and sickly women, who are "worn-out" or debilitated, especially for women who work in store, office, or school-room, who sit at the typewriter or sewing machine, or bear heavy household burdens, and for nursing mothers, Dr. Pierce's Favorite Prescription will prove a priceless benefit because of its health-restoring and strength-giving power.

For constipation, the true, scientific cure is Dr. Pierce's Pleasant Pellets. Mild, harmless, yet sure.

"FOR KIDNEY TROUBLE AND A WEAK BACK."

"Pe-ru-na Has No Equal."

An
Emphatic
Endorsement.

MR. M.
BRODERICK.

Mr. M. Broderick, 435 E. 46th St., Financial Secretary Stable Employees Union, No. 1041, Chicago, Ill., writes:

"I have been suffering from a weak back and kidney trouble for some time and have been able to find relief only through the use of Peruna. During the winter season I usually keep a bottle of your medicine in the house and by taking a dose at night, I am feeling fine the next morning. Some of my friends assure me that Peruna is equally as good for their various ailments as it is for my complaint, but, I do know that for kidney trouble and suffering from a weak back it has no equal."

Kidney Trouble is Not Always Recognized as Catarrh—Pe-ru-na Relieves Kidney Disease Because it is a Remedy For All Phases of Catarrh.

Like catarrh, it pervades the whole system, and counteracts the effects of the disease. A great many people believe that they have been cured of chronic Bright's Disease by the use of Peruna. It is certainly true that in the earlier stages of Bright's Disease, Peruna is an effective remedy. Numerous testimonials on this point establish the fact beyond all doubt. Mr. Otto A. Fleissner, American epicurean, formerly Chief of Col. W. J. Cody, 1412 Sixth Ave., Seattle, Wash., writes: "I suffered with kidney and bladder trouble until life did not seem worth living. I had tried many medicines, but did not get any relief until I took Peruna. It was really wonderful how much better I was after I used this medicine only a week. At the end of six months I found to my relief that it had rid my system of all poisons and I was cured to stay cured."

ASK YOUR DRUGGIST FOR FREE PERUNA ALMANAC FOR 1907.

Regular weekly prayer meeting on Tuesday evening at 8. Mt. Zion Baptist Church. Rev. W. T. Nickerson, Pastor of Service at 11 a. m., and 8 p. m. Don't misinform your doctor nor your lawyer. No better relation than a prudent and faithful friend. Men who continually sound their own praises rarely know the value of friendship.

The Nordheimer Permanency of Tone

As a rule when a person buys a piano it is not with the intention of replacing it with a new one next month, next year or within five years. It is regarded as a permanent fixture in the home, and the most important feature next to the owners themselves.

It is evident that great care should be taken to select a piano which will retain its original brilliancy, power and quality of tone for years and years and years. And such a piano is the "Nordheimer."

It has a lasting, permanent tone, as you can prove for yourself if you play on one which has been in the home of a friend for ten, fifteen, twenty years or more.

The "Nordheimer" is perfectly constructed by experts from the finest grade of materials procurable. It is built with the idea of not only satisfying the most critical ear for tone-quality when new, but for retaining its original superb tone, so that it will still satisfy the critical ear in years to come.

Those who own a "Nordheimer" are the only ones who can really appreciate to the fullest sense the wonderful, pure, sweet, brilliant, yet powerful tone of the perfect "Nordheimer" piano. May we not have the pleasure of a talk with you, with the object in view of placing "Nordheimer" in your home?

Our Mr. R. V. Carter will visit Chatham frequently in our interest and will be pleased to furnish you with any information you may desire. Correspondence addressed to him in care of the Garner House will receive careful attention.
