Miss Anderson and Miss Edna Anderson, of Halifax, have been visiting this week at the home of Mr. and Mrs. George Anderson, Westwood avenue. They are on their way to Victoria, B. C., where they expect to make their future home.

The folly of saving a few dollars or such an essential item as a typewriter—a saving that becomes an expense bill in a few months was never so apparent as in these days of real economy when the best typewriter—the Remington, is really and truly the cheapest.

A. MILNE FRASER, Halifax, N. S.

Mrs. A. D. Coleman and Miss Coleman, who have been spending the past year or more in New England on account of the latter's health, returned to their home in Wolfville last week. Their many friends are glad to welcome them back and to know that Miss Coleman's health is considerably improved.

Money to loan on mortgage security. Apply to E. S. Crawley, Wolfville. Mrs. Richmond received a flattering offer to present the "Yokohama Maid" in St. John. A gentleman from that place witnessed the performance in Windsor and said he had never seen anything equal this production upon the local stage of St. John. A handsome compliment of Mrs. Richmond and her pupils.

The Olive Service Girls, who have given themselves unparagably to the war relief work, are about to undertake a new form of service which they hope will meet with good patronage. Beginning Saturday, if possible, they will conduct a tea room in the McKenna block every day from four till nine. Wolfville has been proud of the splendid spirit of sacrifice shown by these girls and we sincerely hope that this new venture will meet with unqualified success.

The Wesleyan has the following reference to a former pastor here: "The many friends of the Rev. Richard W. Weddell, of Shelton, will congratulate him on the deserved honor that came to him at the recent convention of Mount Allison by having conferred upon him the honorary degree of D. D. If we mistake not, Dr. Weddell has been longer in the active work of the Ministry than any other member of the Conference. He holds a high place in the affection and esteem of his brethren and of the many people to whom he has so efficiently ministered in holy things. A son of the paragonage has done it honor. He has also been an honor to his Alma Mater and to the church of which he has long been a devoted minister."

When a man follows the race he finds himself in the rear sooner or later—usually sooner. The author of a recent novel likened the bear of his heroine to a spazyan. It is evidently a chestnut.

**Closing of Acacia Villa.**

The Closing Exercises of Acacia Villa School, Hortonville, took place on the evening of May 21st. The Assembly hall of the School was well filled, considering the fact that Miss Buttigh was giving her popular and thrilling lecture in Wolfville at the same hour. Friends of the students from Amherst, Truro, Halifax and other places were present and were entertained at the School. They were delighted with the advanced Spelling conditions in the Valley, and pronounced it two weeks ahead of points farther east. The trees are in almost full leafage and the earlier varieties of fruit trees are in blossom.

The programme consisted of Piano solos and duets, recitations and essays, which the boys gave in a most creditable manner. The solo by the most advanced pupil had to be cancelled, as he had the misfortune to fall from an apple tree a short time ago and break his wrist. Four of the numbers were given by beginners who certainly have made great progress during their short term of study. The music teacher, Miss Lurie Barrow, played. Guest List numbers were recited. The recitations were spoken distinctly and with expression, with one or two exceptions, and were of a fine patriotic nature. Two essays were read: "On Napoleon Bonaparte," by Mervale Vall of New Glasgow; the other, "Ship-building in Canada," by Ernest Ryan, of Truro. Both were interesting and were listened to very attentively. The boys were assisted by Miss Minnie Miller, of Canisla, whose violin solos added most delightfully to the enjoyment of the evening. This is the second time that Miss Miller has favored the Acacia Villa boys and they are very grateful to her. Her first number was "Liebeslied," by Kreisler; her second, Concerto, (1st Movement) by DeBeriot. Both were enthusiastically received. Miss Miller was accompanied very charmingly by her sister, Mrs. Stanett, who also sang "Stars Brightly Shining," by Swift. Her voice, with expression and depth of feeling.

Miss Doris Estor of Grand Pre, sang "God Bend You Back to Me," Miss Dorothy Kennedy, also of Grand Pre, sang the new "Robin Adair" and Miss Evelyn Caldwell, of Gaspereau, sang "The Hour of Memory." These young ladies are all favorites as soloists. Their selections were each beautiful and were rendered very sweetly and suitably. They are in very frequent demand for church and patriotic affairs, and always respond most cheerfully.

After the somewhat lengthy programme had been completed, the Principal, A. H. Patterson, B.A., reported that the year just ended had been a very healthy and happy one. A mild epidemic of Chikenspox, to which most flesh is heir, was the most serious physical affliction that befel the School. The attendance had been up to the full capacity of accommodation. There were thirty-eight pupils and nine day students. The progress in class work had been most gratifying, and the department of the boys very satisfactory. The work of the assistant master, W. E. Heston, B.A., had been marked by faithful energy. Seven of the day students were young ladies, two of whom, the Misses Betty and Whorl of Hantsport, Miss Patterson presented diplomas, as they had completed the Course in Short-hand and Typewriting and had been particularly bright students.

The speaker then called on the Rev. Arthur Hocking, of Berwick, a recent pastor of Grand Pre, and also on the Rev. M. R. S. B.A., the present pastor, both of whom gave interesting addresses, containing words of encouragement to the boys and appreciation of the standard of the school.

Mr. C. C. Fry, an elderly resident of the community, was present and referred to the fact that he had been a student at the school the first year it was opened, now just six, five years ago. He believed him to be the only surviving member of that year's class of boys. He had been a very near neighbor of the school during most of the years since, and he could bear testimony to the far moral tone of the school during that long period of time. It was a benefit to have such boys in the neighborhood. We hope that Mr. Cary may be spared many more years to attend Acacia Villa closings and encourage the students by his words of commendation.

The evening's exercises concluded with the National Anthem, in which all joined heartily. The crowd and fervent bound train the next morning bore away many happy hearts and smiling faces, and the place that had known them for the long school term will know them no more for three months at least.

**College Hall.**

Well Done, Wolfville.

With great satisfaction we receive the news from the front that our brave young townsman Clyde West, son of Mr. James West, has distinguished himself on the battle field on March 26th and has received the Military Medal. It appears that he and a comrade, Carl M. Dickey of Kentville, rendered valiant and skilful service in repairing telephone wires and other necessary military work while exposed to terrible shell and gas fire during the engagement.

They were serving in the British heavy artillery, and for this daring feat received this well merited recognition.

We extend our heart felt congratulations to the parents and relatives of our young friend who has so distinguished himself.

**Gin Pills FOR THE KIDNEYS Succeeded Where Operation Failed!**

"During August last I went to Montreal to consult a specialist I had been suffering terribly with stone in the bladder. The doctor advised on an operation and was operated by another doctor. They said the stone was larger than a bean and too hard to crush and they could not take it out. I was recommended by a friend to try Gin Pills. I bought a box and found relief from the pain almost immediately. I did not expect that they would relieve me so quickly. I had the stone on October 1st and saw a well man and very happy."
