## TRAPPER FOUND DEAD IN LONELY HUT IN WOODS

The Occupant had Been Dead for Some Time, and had a Store of Furs, the Fruits of his Season's Work—Near Abuskong Lake, Gowganda.

Cobalt, June 21.—Near Abuskong Lake, in Gowganda district, two prospectors, named Grant and Husler, came upon a dead trapper in his cabin in the woods. They were wandering in the bush prospecting, and got far away from beaten tracks, and came upon the shack, around which there were absolutely no tracks, and went in expecting to find protection from the flies while they ate dinner. Opening the door they found on the bed the body of a man, which from its advanced stage of decomposition, must have been there for months. Beside the body were

two pairs of snow-shoes, a canoe and one paddle. In the cabin were all the fruits of his winter's work in the shape of furs, and it looked as if he were about about to strike for civilization when death came. They went to Gowganda and reported, but have heard nothing further of the matter.

Mr. Arthur Tweedie, son of Lieut. Gov. Tweedie, Chatham, and Mr. N. C. Brander of Chicago, were in town last week. Both gentlemen were returning from a business trip to Campbellton and Dalhousie.

STANLEY W. MILLER, Re-Elected President Liberal Association.

## REOPENING OF ST. MARK'S

St. Mark's Presbyterian church, Douglastown, was reopened on Sunday, after having been closed some weeks during which the building was enlarged by a handsome ell, which now contains the elegant pipe organ purchased from St. Andrew's church, Chatham, on the occasion of the latter installing a still larger one, and also two anterooms for the use of the pastor and choir.

Rev. R. W. Ross, of Fort Massey church, Halifax, preached both morning and evening.

In the afternoon from 3 to 4:30 there was another meeting at which the church was filled. Rev. F. J. Simpson, the pastor, to whose untiring energy the prosperity of the congregation is largely due, presided; Professor Baird presided at the organ, and the large choir gave an excellent musical program. Addresses were given by Rev. S. J. MacArthur, who conveyed the greetings of St. James' church, Newcastle, from which Douglastown congregation recently branched; by W. S. Loggie, M. P., of Chatham; W. B. Snowball superintendent of the Methodist Sunday school in Chatham; and Rev. R. W. Ross.

Rev. Mr. MacArthur spoke in highest terms of former pastors of the time when Newcastle and Douglastown were united, such as Rev. Dr. Henderson, Rev. Dr. Thompson and others, who had labored so well and left such an influence for good. How important was their work and also that of school teachers and trustees. He congratulated Douglastown on practicing union. May there always be one protestant church there, no matter what its name may be.

W. S. Loggie, great grandson of the first Protestant minister on the Miramichi, received Mr. MacArthur's congratulations re progress already made and for the hall about to be built for use of the young people. The new churches at Douglastown, Millbank, Nelson Loggieville and Napin were branches from Newcastle and Chatham showing increase in population and wealth and spiritual energy. All these conveniences

enabled men to more easily learn the mind of Christ so that they may put his principles into practice.

W. B. Snowball spoke strongly in favor of church union. He hoped that future would see all protestant divisions obliterated. We must look to our Sunday Schools, prayer and class meetings and men's unions. All must be founded upon Christ Jesus.

Rev. Mr. Ross spoke very highly of the work of Rev. F. O. Simpson, whom he had known well in Ontario. Douglastown was most fortunate in having such a pastor. This congregation was going ahead to still further work. He also most highly complimented the choir.

Large collections were taken up at all three services amounting to \$1,802.00 which will cover cost of the work done to date. Some \$700.00 of this was contributed by one wealthy family of Douglastown and \$50 by W. B. Snowball of Chatham.

"BOUGHT MY LIFE FOR 35 CENTS."—This was one man's way of putting it when he had been pronounced incurable from chronic dyspepsia. ## CAPT. WALPOLE FOUND ALIVE WANDERING IN THE WOODS

Had Lived for Over a Month on Poplar Leaves and Such Stuff—Weak, but Mentally Bright as Ever—Searchers Guided by Bark Fragments.

Wabigoon, June 23.—Captain Walpole Roland, the 83-year-old mining engineer who stayed from a prospecting party one month ago in the Lake Manitowish gold district, has been found. Several experienced private and Government search parties had given up hope of finding the aged captain alive, but after subsisting on poplar leaves, etc., and water for 31 days, the marvellously strong will and constitution of the captain conquered, and he is today alive and, except being physically weak, is apparently none the worse. Attracted by birch bark parchment

scattered promiscuously by the captain, a Dominion Government geological survey party, including Dr. G. L. Parsons of Toronto, and Messrs Thompson and Marguerah of Kenora, searched and found him crawling on his hands and knees about one mile from the trail from which he strayed. Your correspondent had a short interview with Captain Roland on private business matters, and was favorably impressed with the keen, unimpaired mind, which one might not have been surprised to see affected. Capt. Roland leaves for his home in Port Arthur on Tuesday afternoon.

## CLOSING ST. MARY'S CONVENT

The closing exercises and musical recital of St. Mary's Academy were held Wednesday night. In spite of the terrible bad weather, the attendance was good, and all who were present thoroughly enjoyed the proceedings. The exercises were very interesting. Everything went to show great patience and much success on the part of the teachers. The pupils were bright and orderly and thoroughly trained. The music, both vocal and instrumental, was splendid.

and the elocution left nothing to be desired.

The valedictory address by Miss McCombs was well written, and held up the Christian ideal as the main goal of the student.

The addresses of Rev. Fathers Maguire and O'Leary were appreciative and instructive, and that of Ex-Mayor Miller very enthusiastic.

The program was interspersed with the announcement of promotions and names of prize winners.

annual meeting was only \$9.

Next item was election of officers.

Ex-Mayors Hennessy and Miller were nominated for the office of President. The vote stood: S. W. Miller, 59; P. Hennessy 38.

For secretary the candidates were R. W. Crocker and C. J. Morrissy. The result was: Crocker, 58; Morrissy 29.

For treasurer the candidates finally nominated were James Falconer and C. J. Morrissy. The result was: Falconer 55; Morrissy, 25.

James Stables was elected 1st Vice-President, and J. G. Layton 2nd V. P.

The Executive remains the same as last year except that Mr. Layton replaces Mr. Hennessy.

Treasurer Falconer reported receipts at last annual meeting of \$18.60. He had paid for advertising \$2.00 and for rent of hall \$2.00 leaving balance on hand of \$14.60.

George Stables and T. W. Crocker were appointed an Audit Committee.

W. S. Loggie then addressed the meeting. He was greatly pleased to see such a large and enthusiastic gathering. Only in North Esk could another such gathering be met with on such an occasion. He was glad that so many had seen fit to identify themselves with the great Liberal party that stood so strongly for righteous government and had such a great leader as Sir Wilfrid Laurier. He had seen many changes in the cabinet. Hons. W. L. McKenzie King and Charles Murphy, the most recently appointed

ed members, were among the Parliament's greatest and best. Mr. Loggie went on to give the association some excellent advice as to management of their political business, and his address was much appreciated.

Mr. Hennessy followed in a short speech, and George Stables briefly addressed the meeting.

James Stewart brought up a grievance against the I. R. C. authorities into which Mr. Loggie and the President promised to look. Adjourned.

THE POISONED SPRING.—As in nature so in man, pollute the spring and disease and waste are bound to follow—the stomach and nerves out of kilter means poison in the spring. South American Nervine is a great purifier, cures indigestion, dyspepsia, and tones the nerves. The best evidence of its efficacy is the unsolicited testimony of thousands of cured ones. Sold by A. E. SHAW'S Pharmacy.—79

"I swear by Canada," said Mr. Roosevelt to the Canadian Associated Press representative in London. Which remark makes us all have a kindly feeling toward the ex-president.

THE PALL OF RHEUMATIC PAINS.—When a sufferer finds permanent relief in such a meritorious medicine as South American Rheumatic Cure, how glad he is to tell it. C. W. Mayhew, of Thamesville, Ont., couldn't walk or feed himself for months—four years ago three bottles of this great remedy cured him—not a pain since—isn't that encouragement for rheumatic sufferers? Sold by A. E. SHAW'S Pharmacy.—78

## BANDITS SLAY AND ROB IN A LYNN STREET

Lynn, Mass., June 25.—Three desperate bandits armed with murderous automatic magazine revolvers of 30 calibre, shot and instantly killed Thomas A. Landregan, a well known shoe manufacturer, of this city, fatally wounded Policeman James H. Carroll and ran away with a bag containing

\$5,000 which the manufacturer and policeman were taking on a bank to the shoe factory at Landregan for the weekly payroll today.

The Canadian statement for the past month shows that the people are getting the things they need
