The remedial order, regarding th Dininion Privy Council on the Manitoba Government, has been duly received by the latter body. It was read in the Legislative assembly, at Winnipeg on Tuesday of last week It was expected that it would come up for discussion on Thursday, but, on that day, the Legislature adjourned till the 9th of May. Presumably, this course is pursued, in order to have ample time to consider what line of action it is best to adopt.

The annual report on the Public 1894, has been submitted to the the last year was, 459, an increase of 6 over the previous year. The number of teachers employed during the year was 553, an increase of 9 over 1893. Of the teachers, 65
were of Class I., 232 of Class II.,
and 256 of Class III. The number
of pupils enrolled in 1894 was 22,221,
against 22,292 in 1893, a decrease of
