The West-Lynn Man, Times says: Mr. Ogilvie, of the great Montreal milling firm of Ogilvie Bros., was in town to-day. From an interview held with a Times reporter, Mr. Ogilvie stated that it was not yet decided where they intended to build their large mill. West-Lynn was to be considered in the location, but at present the choice of locality appeared to be in favor of either Winnipeg or St. Boniface. The Winnipeg town council have, we understand, agreed to exempt the mill if built there, from taxes for twenty years.

TOWN BAND.—On account of some important alterations in the organization of the Band, the Saturday night concerts will have to be withdrawn for two or three weeks. A number of new instruments have been added. H. Aborn, who matriculated in Arts, and Wm. Donald, who matriculated in Medicine. Mr. Donald obtained 1st class honors in German, and 2nd class honors in English and History, a result which considering the short time he had been preparing, reflects the greatest credit on our young friend's ability and energy.

DELINQUENT SUBSCRIBERS.—The Wellington Telegraph recently spruced up some of its delinquent subscribers by bringing them before the judge of the Division Court, and we copy its remarks about the case. "In one of the defended suits brought by the proprietor of this paper against one in arrears for subscription, the defendant claimed that he had not subscribed to him for the Telegraph. He had paid Mr. Dewhurst one dollar to January, 1874, after which time he did not subscribe. The paper came along, however, and he took some out of the post-office. He afterwards moved his residence, and for over two years had not received it. The judge ruled that he was liable for the amount of \$1.50 per year, it not being paid in advance, and gave judgment accordingly. His Honor said the law was very plain on the point."
