**Evening Gowns at Reduced Prices!**

While many of the larger social functions are—on account of the war—conspicuous by their absence this season, there are never-the-less many smaller affairs which take place where a really smart gown is not only admissible, but really necessary.

¶ We are offering a limited number only of Evening and At-home Gowns and Blouses, in combinations of Silk and Net, Satin and Lace, Charmeuse, Ninon, Voile, etc.—in very beautiful designs and in different sizes. These Gowns and Blouses are copies of French and American models, and, owing to the depression in trade, are to be sold at heavy reductions.

¶ This week presents an excellent chance for you to purchase a dainty Evening Gown for the coming Easter festivities at actual cost.
