We have just received a shipment, \$1,250.00 worth, of Overalls, the best we could obtain. The material, make and shape are right.

The reason we imported these Overalls was that by doing so we could give our customers better value than could be obtained with local made goods.

CHARLES HUTTON,

N. B.—Within the last few months I have played on Emerson Pianos that were bought here 25 and 30 years ago, and with the exception of a small portion of the centre, which was a bit worn, the Pianos were practically as good as the day they were sold.
