I have used it in every way, and found it to be the best on earth. Six years ago I was sick: I tried all kinds of medicines, but they did me no good. My father saw the advertisement in the paper; he told me to try a bottle. It did so, and by using it three days I was able to be out. I have kent it on hand ever since, and I have told my neighbors about it. My wife had been troubled with toothache. I gave a trial of the medicine and it cured her pain had been troubled with toothache. I gave a trial of the medicine and it cured her pain instantly. I was gathering corn and got my hand caught between the wagon-bed and standard, and mashed it badly. I ran to the house and poured on a lot of Radway's Ready Relief, and had no more pain. I tied my hand up with a piece of flannel, poured on more Radway's Ready Relief, and in an hour I was ready to take hold of my work again. I cannot be thankful enough.
