Montreal. By the new line the distance will be 108 miles. The Canada Atlantic Railway Company will give the Great Northern Railway Company, at Hawkesbury, 5,000,000 bushels of grain, which will be carried from London to Quebec by the new ships of the Leyland Line. NEW 'PINO LEADER Manila, April 27 .- It is reported that the rebel general, Cailles, ordered eight American prisoners to be shot April 31, the same day on which he con-demned to death Col. Sancio, one of his staff officers, and Senor De La Rosa, a wealthy native, who had refused to contribute to the insurgent war fund. Sancio escaped. The others were tortured and then butchered. Cailles, who is now lurking in the mountains of Tayabaz Province, Luzon, proclaims himself dictator, and the sucessor of Aguinaldo, and announces his intention of continuing a war of ex-

termination. POISON IN THE COFFEE-POT. New Haven, Conn., April 27 .- A sensation in the trial of Mrs. William Rathbun, for the murder of her husband, was the production by Coroner Mix of his stenographic notes of the story told by Mrs. Rathbun to him, in which there was a confession that her husband told her to buy the poison, and that he said, laughingly: "It is a good chance to get Johnnie out of the way." The state authorities do not place credence in her statement placing the blame on the dead man. and are trying to show that Mrs.Rathbun put arsenic in coffee with the intention of killing John F. Hart, boarder, with whom she had been intimate, and that by accident Rathbun drank of the poisoned beverage.
