GHOULS AFTER GIRL'S REMAINS

Chatham Man Tells of a Weird Encounter in a Cemetery.

Chatham, Aug. 31. - A short time on-the-Lake.

Plans and specifications may be seen and full information obtained at the offices of the officer commanding Western Ontario, Toronto, the director of engineer services, Militia Headquarters, Ottawa, and the caretaker of the camp grounds, Niagara-on-the-Lake.

Tenders must be submitted on prited forms supplied by the Department of Militia and Defence, and each tender accompanied by an accepted cheque on a Canadian chartered bank for 10 per cent of the amount thereof, payable to the of the amount thereof, payable to the order of the Minister of Militia and Defence, which amount will be forfeited if the party tendering declines to enter into disease. The girl died very suddenly after a hurried operation, which revealed nothing to the men who were anxious to study the symptoms. The parents of the girl became sus-

picious when they saw the great in-

terest which the case attracted from the medical profession, and they feared that some attempt might be made to recover the body for professional purooses after it was buried. On this account they placed two men to watch the grave in the Maple Leaf Ceme. tery, where the remains were interred. According to the story told by the two men who were hired to keep this vigil, an attempt was made last week to recover the body. One of the men tired of the dismal watching, and refused to take his turn at relieving his partner. It was agreed that both should go together. When they arrived at the cemetery it was dark, and a number of strange noises, followed by the passing of a carriage, bearing two masked men, the horses' hoofs being padded, bore out their suspicions that ghouls were at work. When they arrived at the grave they

filled in only a few days before. The story has aroused great local interest, and it is quite likely that the parents of the dead girl will have the grave opened to see whether or not the body has been stolen.
