Hochelaga Charges Are Effects of Serum to Come Up This Afternoon.

GOVT. SUPPORTERS LACKING STEAM on Saturday afternoon.

Continuous Sitting Again Until After Easter.

It was not until after midnight that the reaction of the fluid began to make itself felt. Then he awoke feeling very [Special to The Advertiser.] Ottawa, March 17.—The beginning of ill. His temperature rose rapidly, acthe week and St. Patrick's Day finds companied by a violent attack of vomthe Opposition ready to resume the Iting. His symptoms resembled those

Sir Wilfrid Laurier, who was sick in was troubled by a severe headache, and bed with bronchitis last week, came to complained of intense pain just above his office this morning, and though the eyes. His illness continued all day considerably shaken by the severity of the illness, will probably be able to give assistance to his followers during most of the sittings this week.

Hochelaga Charges.

afternoon the Hochelaga charges will be made. It is understood there will be affidavits and counter-affidavits produced on both sides. These are necessarily from men of not the highest character. Only someone who was mixed up in the affair could make an affidavit, and men who were concerned with telegraphing votes do not make the most convincing witnesses.

This afternoon it is understood that Convicted This Morning of the Government will oppose reference of the charges to a committee for investigation, and the examination of witnesses, but will endeavor to have the matter disposed of in the House on the information contained in affidavits and counter affidavits.

Alleged to Have Thrown Ham-The debate is not likely to last for more than one sitting, and then it is understood that the Government will again offer the naval bill for consideration. For a few days at least the attitude of eachside is likely to be a little less stiff.

Government Supporters Amazed.

The Government has taken the measure of the Opposition's strength in a manner never before seen in Parliament, and has found that the Libto beat it by disregarding rules and failing, though its majority is almost fifty, the Conservatives feel that it would be well to see what effect a more reasonable attitude would have.

Chief Back in House. ably be no more continuous siltings

reception when he comes into the house, and began using abusive and less poignant was the grief of the relasent out from England that if Laurier did not force an election now he would refer than out of the Pouse, not these states of fining, this afternact retire from the Liberal leadership. while he wrote this:

BY WILLIAM G. SHEPHERD.

Dublin, Ireland, March 17.—This is the greatest and most hopeful St. Patrick's Day that any Irishman in Dublin, Killarney, London, Ont., or any

I've just ridden across the hills of County Wicklow to Delgany to talk where else ever saw. about it to an Irishman who lives in a little white house there. His name is William Redmond, and he has fought, in the English Parament for 30 years, for home rule. He has also visited America eight times and has collected vast sums of money there to use in this great struggle. It was he that told me what a fine St. Patrick's day this was going to be. "And everybody who knows Ireland, knows what I say is true," he said.

Bending over and smiling, he dug a little knot of shamrock out of the lawn.
"Even the shamrock knows it, this Irish spring morning! Look how strong and long-stemmed it is and how much there is of it! Ah, the shamock crop is fine this year!" "And all this great hopefulness is "There is no nation on the face of
