

## Terribly Afflicted With Lame Back.

### Could Not Sweep The Floor.

When the back aches and pains it is almost impossible for women to do their housework, for every move and every turn means an ache or a pain.

Women are beginning to understand that weak, lame, and aching backs from which they suffer so much are due to wrong action of the kidneys, and should be attended to at once so as to avoid years of suffering from kidney trouble.

On the first sign of anything wrong with the back Doan's Kidney Pills should be taken.

They go right to the seat of the trouble. Mrs. Wilfrid Jolicoeur, Nouvelle, Que., writes: "I take pleasure in writing you stating the benefit I have received by using Doan's Kidney Pills. About three years ago I was terribly afflicted with lame back, and was so bad I could not sweep my own floor. I was advised to try Doan's Kidney Pills. I only used three boxes, and I am as well as ever. I highly recommend these pills to any sufferer from lame back or kidney trouble."

Price, 50 cents per box, or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Toronto, Ont.

If ordering direct specify "Doan's."

## STRATFORD JUNIORS BARELY BEAT BERLIN

Classic City Seven Had Single Goal Lead on Home Ice.

### REF. SPOULE WAS POOR

Berlin Youngsters Came Back Strong in Second Half and Nearly Tied Score.

[Special to The Advertiser.] Stratford, Feb. 3.—The Berlin Union Jacks nearly gave a decided setback to the Stratford Midgets advance championship wards by holding them down to a 3 to 2 victory in a hair-raising battle on soft, sticky ice. Half-time stood 3 to 0 for Stratford.

The soft ice was nearly Stratford's undoing. In the first half they carried the visitors off their runners, but the heavy going got the their windbags, robbing them of the aggressive spirit which carried the second half combined speed with hard checking, and good team work. They pressed in during the Midget defence a busy time. Russell Lavelle was Stratford's best man, while White, Clayton, Klachn did brilliant work for the Dutchmen. Referee Sproule was quite unpopular in his decisions. His redeeming feature was that he was equally bad for both sides.

The teams: Stratford: Goal ..... Berlin: Cornwell ..... Goal ..... Merner: Forbes ..... Right defence ..... Erb: Burdette ..... Left defence ..... Karges: R. Lavelle ..... Rover ..... White: L. Lavelle ..... Centre ..... Klachn: Tobin ..... Right wing ..... Clayton: McDonald ..... Left wing ..... Schaefer: Referee: Sproule, Toronto.

## DOPELETS BY FULLERTON

New York scribes who hint that Comiskey took Jawn McGraw around the world to tempt him and credit the old Roman with the desire to break the National League are only half right. Guess which half.

### STRAINING THE ENTENTE.

Prexy Gilmore (to reporters)—Ask Simon Lagree Murphy and Lawyer Marks Johnson how many of their slaves we have freed.

C. W. Murphy (to reporters)—Don't ask me. Go ask Wallingford Gilmore and Blackie Daw Tinker about it.

Kid Hawkins threw a water carafe and hit Jack Johnson on the head in a Paris cafe and failed to make him stop eating. This ought to be sufficient warning to some white hopes who have been plotting to run over and grab an easy championship.

Pity poor Bill Carrigan, Leonard, Combe, Collins and Radloff, pitchers. How would you like to manage four left-handers?

Wrestler Friskenky, trailing Frank Gotch for a match, says he will beat the champion by strategy. As a strategic beginning we suggest he have his toes amputated.

If organized baseball really wants to fight the Federal League, why not promote a string of restaurants in Chicago?

The most ardent advocate we have found of intervention in the affairs of Mexico is a Chicago handbook man who failed to get the results of four races on account of a battle at Juarez. He agrees with Gen. Sherman.

Gilbert Gallant, despite his name, is a considerably fight. Besides, with that name, he can save ink by not writing "Boston" after his name. Every one would know it.

Massachusetts is in the throes of passing a boxing bill. As seven members of the house are ex-pugas, they have a nucleus for a majority.

We refused to believe all those yarns about Joe Jackson's slow thinking until he turned down the Federal League offer of \$55,000 for three seasons. Anson played ball twenty years for less than that.

Among those who are longing most ardently for the return of Comiskey are those who fought hardest to keep him from becoming a major league owner. Baseball makes strange bed-fellows.

President Tener ought to have consulted President Johnson before announcing that he welcomes a chance to try the Killifer case in court.

SENSOR SIGNS UP. Portland, Ore., Feb. 3.—Eddie Benson, Pittsburg National outfielder, who is wintering in Oregon, announced today that he had refused a Federal League offer, and has forwarded a signed contract to the Pittsburg Nationals.

## HORSE TALK

Sir R., that had heaps of speed, has gone to the horse heaven.

George Gano can hike some on the ice, as he paced a half in 1:01 3/4. Sweet Marie, 2:02, this year will have a foal by The Harvester, 2:01.

Thirty of the well-known pacers will be benefitted by the time allowance rule. On the Billings farm are nine brood mares with records of 2:10 or better.

Dona Denmore is to be trained by Al Russell this year. He is a good man. Sixty-six horses will benefit by the allowance rule, which discards the tin cup records.

There are 842 weanlings in the Kentucky futurity for foals of 1913, Donmore farm having eight. The popular 2:05 pace may shift to the 2:04 this year.

The game ended with the score standing at 4-1. The return game will be played in Belleville on Thursday.

The green trotter McKinnon, by Arlon, dam by McKinnon, worked mile on 3 1/2 small track in 2:13 and won the race by a R. Gills, of Syracuse, who has a number of good ones.

By Captain Davy Shaw, in good health and being jogged regularly by the Chicago team, he is slated for the Chamber of Commerce stake if all goes well in the next two months.

J. R. Trimble has had Hydrice, Minor Bell, Ward Dillon and two others shipped by Charles Valentine to Pittsburgh. It is understood that Hummel, who drove for Mr. Trimble until his leg was broken, again will have the stable, which will race in the Michigan short ship circuit.

### WOODSTOCK CITY LEAGUE OPENING

[Special to The Advertiser.] Woodstock, Feb. 3.—Woodstock Collegiate defeated the college team here tonight in the opening game of the city league. The final score was 3 to 0, and 2 to 0 at half-time. Russell Sandercock refereed.

### SAINTS' BALL CLUB WINS OUT IN FIGHT

[Special to The Advertiser.] St. Thomas, Ont., Feb. 3.—At a meeting of the city council tonight, by a vote of 1 to 4, it was decided not to adopt No. 4 committee's recommendation that the Washburn & Fernald Carnival Company's proposal to show this city during June and August. City Solicitor Doherty emphatically stated that the city could not legally enter into the circus business.

A strong feeling existed against the committee for turning down the baseball club's request that they be permitted to have a street fair concern come in under their auspices during the race week in June, and recommend a council to accept another show's proposition for the same dates.

### WILLIE HOPPE BEAT OUT GEORGE SUTTON

New York, Feb. 3.—Willie Hoppe, the 182 lb. billiard champion, playing in championship form, successfully defended his title against George Sutton, of Chicago, here tonight, winning by a score of 500 to 226 in 17 innings. Hoppe made an average of 29.7-17, and high runs of 99, 70 and 65; while Sutton averaged 13.5-17 with high runs of 123, 27 and 17.

### A WISH.

I want to see a baseball game, I do not care who runs the game, I do not care who owns the stands, Nor in whose mitt my money lands, I want to see the athletes play, And hit the ball the livelong day, I want to see those baseball stunts, In which the player hits or bunts, Or smites the ball with lusty whacks, That drive his fellows round the sacks. But when the owner howls and kicks, And deals in baseball politics, I feel a sharp and local pain, And swear I will not go again, But when the athletes start to play, I will be there that selfsame day, I want to see a baseball game, I do not care who runs the game, —Geo. E. Phair, in Chicago American.

## CHEESE MERCHANT PAYS \$90 FOR LONG-LEGGED COLT AND LATER SEES HIM CAPTURE A RECORD OF 2:04 1-2

It is not often that a \$90 horse is able to go forth and battle with the very best of the Grand Circuit brigade and it is not customary for a country cheese merchant to campaign the fastest pacer in the 2:05 class. The records for the racing season just closed, however, prove that to the lot of a cheap horse and a country owner have come the honor of heading the list of money winners in the 2:05 class.

### "KING" COLE JUMPS BACK TO ORGANIZED BASEBALL

Signs One Year Contract With Yankees, After Signing Three Year With Feds.

New York, Feb. 3.—Leonard L. (King) Cole, who recently jumped organized baseball, and signed a three-year contract with the Chicago Federal League Club, has jumped back to the New York Americans. Cole signed here today for \$3,200, the figures named to Farrell in Cole's telegram some days ago, which Farrell duly accepted.

The acceptance of Cole's terms constitutes a legal contract under baseball law, according to Farrell. Farrell's attorneys advised him that he was legally entitled to Cole's services.

President Farrell said tonight he was prepared to meet any action the Chicago Federals might take in the Cole case, but intimated that he had reasons for believing they would not go to court to retain the player.

### ST. THOMAS CLUB WILL NOT GO TO YOUNGSTOWN

President Stanley Flatly Denies Report—Will Stick in St. Thomas as Long as League Lasts.

St. Thomas, Feb. 3.—The report current in a London paper for the last few days that the St. Thomas ball club owners would transfer their franchise to Youngstown because of the committee's action in rejecting their request to put on a carnival is entirely without foundation. President Charles O. Stanley published a flat denial in the local press tonight, stating that the club would remain in St. Thomas and would be in the Canadian League as long as that organization continued to do business. He stated further that the owners had at no time contemplated removing the franchise to another town. The city had always used the club fairly, and the fans had been loyal to the core. Mr. Stanley stated to your correspondent that at any time the local owners desired to quit the game, citizens in St. Thomas would be given the first opportunity to get the club, but as far as he was concerned there never was any intention of any of the present directors to dispose of the holdings.

Only a few weeks ago an offer was made by local fans to purchase the shares held by one of the largest stockholders, for a goodly sum, but the offer was rejected.

Manager Traven is still hopeful that he will be able to take the team to Charlotte, Mich., to train.

### BUFFALOED!

Charlie White, he had a fight That looked as soft as pie, But all he got out of the pot Was a healthy alibi.

When William Maple, a cheese merchant and huckster of Converse, Ind., bid \$90 for a tall, long-legged and rather coarse black colt at the last sale held by Daugherty Bros. in this city three years ago, he builded better than he knew. Few men about the sale ring considered the colt worth a season's training, but Mr. Maple did not regret his purchase when the following spring the colt, under the name of Walter Cochato, took a record of 2:17 1/2 as a 3-year-old over the half-mile course.

### WOODBINE MEETING OPENS ON MAY 23

Seaforth, Feb. 3.—In a Northern League game played here tonight, Seaforth defeated Mitchell by a score of 10 to 5. The half-time score was 8 to 2 in favor of the home team. ### IMPROVEMENTS FOR INDOOR RACE TRACK.

Detroit, Mich., Feb. 3.—The Windsor Jockey Club directors have decided to build an extensive addition to the grandstand at the track, but the construction will not commence until the fall of this year, when the bookmakers will go out of business as far as Windsor is concerned, and the pari-mutual betting machines will be installed.

## L. & C. Hardtmuth's "KOH-I-NOOR" PENCILS IN 17 DEGREES AND COPYING.

Joseph J. Lannin, 33 years ago a ballplayer in the St. Louis Hotel, Quebec, is now president of the Boston American League baseball club. He is not yet 50 years old, but in the years that have passed since he was a "bell-hop" he has acquired a hotel of his own on Long Island and has made a fortune in real estate. As a boy Lannin was more interested in lacrosse than baseball, but he thinks enough of baseball's future to invest the wealth he has earned in other business in a half-interest of a baseball property conservatively estimated at worth \$700,000.

### WHAT TO DO FOR SORE THROAT.

SOME GOOD ADVICE BY A SPECIALIST.

As there seems to be a regular epidemic of Sore Throats this winter, the following valuable recipe will be welcomed by many. A sore throat is a dangerous complaint to take with as the bronchial tubes lead directly to the lungs, and the disease often travels along these tubes into the lungs and sets up an inflammation that invariably results in a serious lung trouble.

The first sign of soreness in the throat or around the tonsils you should secure from your chemist 1 oz. of Parmit (Double Strength) and take this home and add to it 1 pint of hot water and 4 oz. of moist sugar. Stir until dissolved. Take one tablespoonful four times a day. This will give instant relief and will usually cure the worst throat within 48 hours. The healing and soothing qualities of this formula are unequalled, and every person suffering with a bad throat should give this prescription a trial. There is nothing to fear.

Important—In ordering Parmit always specify that you want Double Strength; your druggist has it or he can get it for you; if not, send 50c to the International Laboratories, 74 St. Antoine street, Montreal, who make a specialty of it—Adv. Feb. 4, 1911.
