Windsor C. I. Won Title Last Year From London South.

TOWNS ARE ADDED

Soccer under "Wossa" auspices is not losing ground, but rather gaining, and this second season of the game promises some fine competition.

Three groups have been formed from the teams entered. There is a city of London group and a Border Cities group and a group to the east, composed of Woodstock College, St. Marys and Simcoe. Each group will have to have its champions declared by Oct. 25, whin the pidy-offs will be commenced.

The winners of the London group will play off in the first round, according to the draw, with the champions of the eastern group the winners meeting the border champions in the finals.

Last year London South, which won the local group, got a bye, and played with Windsor, losing the title only after a close and exciting series.

The London group is composed of the following: East C. I., South C. I. and Technical school.

The Windsor group has three schools, Windsor C. I., last year's champions, Walkerville C. I and Windsor-Walkerville Technical school.

ville Technical school.

Dates selected for the local group provide for a single schedule, and are

NOT DROPPED YET

Scandal Investigation Still Be ing Conducted, Declares Judge Landis.

Associated Press Despatch. New York, Oct. 14.—Sparks from the bomb thrown into baseball by the suspension of Cozy Dolan and Jimmy

bomb thrown into baseball by the suspension of Cozy Dolan and Jimmy O'Connell for attempted bribery will probably be stamped out separately and with deliberation during the winter by Commissioner Landis.

"The investigation is still being conducted," Judge Landis said last night before leaving here for Chicago. "I won't say whether or not I'm satisfied with how far I've gone already. The future will tell that."

Other trails broken during exploration of the Dolan-O'Connell exposure, and which may be followed by the commissioner, include charges made by Ban Johnson, Barney Dreyfuss and "Red" Dooin, a former catcher.

Johnson's allegation went back into the world series of 1903, when he asserted that Lou Criger, a catcher, had been approached by gamblers. Dreyfuss accused Cozy Dolan of tampering with "Pie" Traynor, Pirate third-sacker. Dooin declared that a former catcher of the Giants had offered him a \$40,000 bribe.

Johnson and Dreyfuss have threatened to force an investigation to the separate threads, and many well-known sporting writers encourage a complete inquiry for the good of the game.

Special to The Advertiser. Woodstock, Oct. 14 .- There was a

stormy session of the Woodstock and Oxford county children's aid society this afternoon, when the resignation Eddie of Mrs. A. M. Pedley, who has been agent for the society during the past Move Under Way To Prevent 11 years, came up for consideration, and was accepted. The board of management was named as a committee to select a successor.

Mayor Rea insisted that the position of agent should be joined to that neeting of local citizens this evening of matron or superintendent and held by one person, or by a man and his wife, while Magistrate Ball contended that the agent should be independent of the shelter body. SEAT SALE BRISK

The Tommy McDonald-Joe Schmidt Friday night's fistic card at the arena has been rather obscured by the fact weight champion of Canada, is here naking his first ring appearance since making his first ring appearance since he donne? the sky-piece which Bobby Eber wore for over four years, sometimes at a tipsy angle, but mostly set square on the great little champlon's head as if in deflance of the best in the world to knock it off.

This McDonald lad has probably not been as consistent as he might be in his early fights, but he has shown plenty of consistency. The "Miniature Greb" as they call the Hamilton boy because he has a jumping unorthodox style of milling something like the Pittsburger, in his last appearance knocked out Allan Holmes of Toronto in four rounds.

Has Good Record.

Holmes was the boy who drew with Ray, the little Virginian flyweight, shortly after he appeared here. Holmes had just beaten Johnny Lear, whom many Canadian and Detroit admirers believed was the coming flyweight champion, when McDonald stepped in and handed him a sleep potion while he was still in the first flush of victory. Lear had beaten Johnny Buff as a preliminary to going on in main events McDonald has beaten Phil Lisner ex-

McDonaid has beaten Phil Lister exactly six times since he decided to turn pro, and he's only 18 years of ageright now. He's had 19 fights and won the last three in a row last year. He's starting out a fresh season, and it isn't likely that he'll let the Buffalo boy who is a hard hitting youngster, smear it up thus early.

The seat sale for the big card Friday night started yesterday at Brisco's. Strong's drug store and the Richmond hotel and the arena box office will be opened Friday.
