With the exception of this last race it was the favorite's day all through, and a the 30-foot class the Hiawatha, of Hamer's came in first, steered by Miss Redver's jockey club, as the track record was beaten by R. NOW FOR THE TWO-MINUTE HORSE. COLUMBUS, O., Aug. 8.—Robert J. has again demonstrated that he is the greatest pacer ever harnessed to a sulky. Frank Agan was the favorite in the freefor-all pace, and relying upon his re-markable performance at Cleveland nearly every horseman on the track backed him to win. When Robert J. would be hotly contested. And so it was. It was the greatest race of the year, the fastest four consecutive heats and the greatest fourth heat ever paced or trot-

In the first heat Agan took the lead and held it all the way around, with Rubenstein second and Robert J. third. In the second heat Agan took the lead Rubenstein dropped behind Robert J. before the first quarter was passed. Robert J. kept a close second all the way around to the stretch, when he began to move up. Just at the finish Agan was pulled off his feet and Robert J. went under the wire a length ahead. The third heat was almost a repetition of the second.

In the fourth heat a pretty start was made and Rubenstein set the pace, the three horses going in a bunch almost to the three-quarters pole, with Agan in the lead. After that Rubenstein dropped back and Robert J., as in previous heats, hugged Agan's sulky until it belief. Although this match did not commence until 2:30 yesterday afternoon sufficient play was had to demonstrate the fact that the game was essentially a bowler's game, and while Wallis and Good bowled admirably for Victoria, Quine and Stilton in behalf of the representatives from the Black Diamond City proved beyond a doubt they were in no whit inferior in their success with the
