TEN YEARS OF UPPER CANADA

IN PEACE AND WAR,

(1805-1815.)

Being the Ridout Letters, with Annotations

By MATILDA EDGAR,

Demy 8vo, 396 pp. Price, postpaid, \$2.00.

"This book will be read with the greatest pleasure
by all Canadians, and by a great many people who are
not Canadians. From the papers of the Ridout family,
Mrs. Edgar has obtained the material for one of the
most interesting works of Canadian history which it has
been our good fortune to read. It treats directly of a
few eventful years only, but indirectly it covers by its
references and explanations that elastic period of time
which lays two generations of men. Necessarily there
is much original matter in the volume, but it is all
essential to a proper understanding of the time, and is
remarkably well done. Mrs. Edgar has so arranged her
story and the methods of telling it, that the difficulty is
to lay the book down. In the chapters which precede
the outbreak of the war are found pictures of the
times, painted with all the ease and fidelity which
familiar correspondence permits, and are little less
interesting than the narrative of more exciting national
occurrences. Were Thackeray alive and in search of a
subject for a companion novel to his Virginians, he
could hardly find equal material for subject and matter
than he would discover in Mrs. Edgar's volume. The
letters of Mr. T. G. Ridout are literary accomplishments
in themselves, and Mrs. Edgar's compilation of these
and other documents, with her own contributions,
have resulted in a most valuable addition to the library
of Canada. The book will be read a first time for its
romance, and be constantly referred to for its accurate
and valuable information."—*Montreal Herald*, Dec.
