

The Humloops  
Phonographer.

N<sup>o</sup> 6.

December, 1892

This number will be devoted to a few primary lessons of English in shorthand composed by Right Rev. Bishop Durieu O.M.I., from New Westminster, B.C., for use in the Vancouver Indian Mission Day School.

The vowels are marked with different signs for the distinction of long and short sounds.

The exercises are preceded by a classification of vowels, as a key to the following lessons.
