IT IS A WELL KNOWN FACT THAT

McCOLL'S "LARDINE,"

is the best known, and most reliable Machine Oil in the Dominion; Farmer's, Thresher's and Mill Owners, will find it decidedly to their advantage to insist upon getting the "Genuine Lardine" when they ask for it, owing to so much inferior oil being sold under the same name by unscrupulous dealers. We are the sole manufacturers of the "Genuine Lardine." Every barrel branded.

Carbolic Smoke Ball Co., Toronto, Ont.

GENTLEMEN,—In reply to your request for a testimonial as to my professional experience with your Carbolic Smoke Ball Debellator, I take pleasure in stating that I have used the Smoke Ball personally two years ago for nasal catarrh and slight deafness while practising in San Francisco—at the request of Dr Spinner—and I frankly confess that my prejudices were removed, and my catarrh completely cured, nor has there been the slightest symptom of the return of either since the third application. I have recommended its use to hundreds of my patients, and in every single case have experienced the most satisfactory results.

I am, gentlemen, Yours faithfully,
G. HAMILTON GRIFFIN, M.D.

CONSUMPTION CURED.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all Throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NOYES, *149 Power's Block, Rochester, N. Y.*

Let it boil five or six hours, then strain, set it to cool, and, when cold, remove all the grease. When needed, heat it, add a thickening of flour, and to two quarts of this stock add one yolk of egg for each person, and one gill of rich milk, with pepper and salt to taste. Drop the yolks in the whole and let them cook a few minutes. If preferred shell, drop them in just as the soup is dished. Some prefer the latter way.
