Read the circulars, and hand them to your neighbor. LOSS OF VOICE AND CONSUMPTION CURED. Fredericton, June 19, 1884.

Dr. WASHINGTON.
Dear Sir,—I write you under feelings of intense gratitude for your Spirometer and other instruments and medicines, which have entirely restored me to blooming health. I was given up to die of consumption, and, in fact, had no hope of ever recovering myself. Last my voice for fifteen months. All the symptoms of consumption present—so much so, indeed, that our family physician and others gave me up to die. The change of treatment came in time to save my life, and it is for the benefit of others who are afflicted as I was that my name is allowed to appear in public print. I can heartily recommend the treatment to all who wish to be saved from the grave.

Yours truly,
Miss JEANETTE BEVERLY.

CONSUMPTION CURED.

Gasperaux, P. O. N. S.

Dr. WASHINGTON.
Dear Sir,—I was given up to die by several leading physicians of Halifax and elsewhere. I was falling fast, could not walk up-stairs without getting out of breath, had cough, raising large quantities of matter, night sweats, etc. After taking your treatment for a month and a half, I gained 21 lbs., and since then have gained 45, increasing in general weight from 145 to 190 lbs. My recovery has been a very great surprise to physicians and friends, who seem unable to believe that such a wonderful cure has been effected. Accept my many thanks.

ANOTHER REMARKABLE TESTIMONY.

CONSUMPTION CURED IN THE LAST STAGE.

CAPTAIN WILLIAM SALTER,
No. 27 Granville Street,
Halifax, N. S.

N. WASHINGTON, M. D., Throat and Lung Specialist, Toronto.

Dear Sir,—When you visited me in the latter part of January, I had been given up to die of Consumption by a consultation of Physicians, who considered that my recovery was simply impossible. I had no hope myself, nor had my family. When you expressed a hope of my recovery, it was received with a good deal of doubt. Confined to my bed, very low, weak, wasted, night sweats very bad, troublesome cough, raising large quantities of matter, in fact every appearance of a speedy death. After using your Respirometer and Spirometer, and medicines, I began to recover very fast, so much so that during three hard winter months I have gained from 20 to 25 lbs., and was able to walk out on Easter Sunday. My strength is daily increasing, and I shall be able soon to be at work. To you I owe a deep sense of gratitude, and am anxious for others who are suffering as I was to consult you. You can make what use of this letter you see fit, and thanking you for what I consider a most wonderful treatment.

Remain yours truly,
CAPT. WM. SALTER.
