

MANY PEOPLE THINK that if they have a slight cold or cough, the best thing they can do is to do nothing, but simply let it wear off. It is the indulgence in this fearfully erroneous idea that makes the dread scourge of Consumption so frightfully common—so common, that it is estimated that war is as nothing, and pestilence a bagatelle compared to it. Never neglect a cold till too late, but use Wingate's Pulmonic Troches, which give immediate relief. Sold everywhere for 25 cents. 13-1-52

THE WEEKLY SUN.

1776. NEW YORK. 1876.

Eighteen hundred and seventy-six is the Centennial
year. It is also the year in which an Opposition House
of Representatives, the first since the war, will be in
power at Washington; and the year of the twenty-third
election of a President of the United States. All of these
events are sure to be of great interest and importance,
especially the two latter; and all of them and everything
connected with them will be fully and freshly reported
and expounded in THE SUN.

The Opposition House of Representatives, taking up
the line of inquiry opened years ago by THE SUN, will
sternly and diligently investigate the corruptions and
misdeeds of GRANT'S administration; and will, it is to
be hoped, lay the foundation for a new and better period
in our national history. Of all this THE SUN will contain
complete and accurate accounts, furnishing its readers
with early and trustworthy information upon these
absorbing topics.

The twenty-third Presidential election, with the prepa-
rations for it, will be memorable as deciding upon
GRANT'S aspirations for a third term of power and
plunder, and still more as deciding who shall be the
candidate of the party of Reform, and as electing that
candidate. Concerning all these subjects, those who read
THE SUN will have the constant means of being
thoroughly well informed.

THE WEEKLY SUN, which has attained a circulation
of over eight thousand copies, already has its readers in
every State and Territory, and we trust that the year
1876 will see their numbers doubled. It will continue to
be a thorough newspaper. All the general news of the
day will be found in it, condensed when unimportant, at
full length when of moment; and always, we trust
treated in a clear, interesting and instructive manner.

It is our aim to make THE WEEKLY SUN the best family
newspaper in the world, and we shall continue to give in
its columns a large amount of miscellaneous reading,
such as stories, tales, poems, scientific intelligence and
agricultural information, for which we are not able to
make room in our daily edition. The agricultural
department especially is one of its prominent features.
The fashions are also regularly reported in its columns;
and so are the markets of every kind.

The WEEKLY SUN, eight pages with different broad columns, is only
\$1.20 a year, postage prepaid. As this price barely repays the
cost of the paper, no discount can be made from this rate to clubs,
agents, postmasters, or anyone.
The DAILY SUN, a large four page newspaper of twenty-eight
columns, gives all the news for two cents a copy. Subscription,
postage prepaid, \$5 a month or \$50 a year. Sunday edition
extra, \$1.10 per year. We have no travelling agents.
