

TRYING TO UPSET HOWLAND.

CATARH.—Sufferers are not generally aware that this curse of our country is contagious, or that it is due to the presence of living parasites in the lining membrane of the nose. Microscopic research, however, has proved this to be a fact, and the result is that a simple remedy has been formulated whereby catarrh, catarrhal deafness, and hay fever are cured in from one to three simple applications made at home. A pamphlet, describing this new treatment, is sent free on receipt of stamp, by A. H. Dixon & Son, 306 King Street West, Toronto, Canada. — *The Star*.
