"Public School Temperance."

The attention of teachers is respectfully called to this new work, designed for use in the Public Schools. It is placed on the programme of studies under the new regulations and is authorized by the Minister. It will be used in three forms. The object of the book is to impart to our youth information concerning the properties and effects of alcohol, with a view to impressing them with the danger and the needlessness of its use.

The author of the work is the celebrated Dr. Richardson, of England; and, this book, though somewhat less bulky, being printed in smaller type contains the whole of the matter of the English edition, slightly rearranged, as to some of the chapters to suit the requirements of our Public School work. It is, however, but half the price of the English edition.

The subject is treated in a strictly scientific manner, the celebrated author; than whom there is no better authority on this subject, using the researches of a lifetime in setting forth the facts of which the book discourses. At the same time the style is exceedingly simple; the lessons are short and accompanied by appropriate questions, and the language is adapted to the comprehension of all who may be required to use the book. Price 5 cents, at all bookstores.

\$12,000 GIVEN TO SUBSCRIBERS
IN CASH
THE GRANDEST OFFER EVER MADE BY ANY PUBLISHER.

Instead of spending \$50,000 this year in giving away sample copies to readers throughout the U. S., we have decided upon the following novel contest for the purpose of advertising and getting our publication talked about from one end of the country to the other.
We have taken an ordinary pint measure, filled it with ordinary white pea beans, poured the beans into an ordinary pint fruit jar such as is used for preserving fruit, sealed it securely, and deposited it with a Brooklyn Trust Company. It cannot be opened or counted until April 15th, 1890, and no person now knows how many beans the jar contains.

The following 4895 PRESENTS will be GIVEN to the 4895 persons making

the BEST GUESSES of the NUMBER of BEANS the JAR CONTAINS:

1 Present to the person guessing the correct number,	1,500
" " nearest the correct number,	1,000
" " making the next best guess,	750
" " " " " "	500
" " " " " "	250
5 Presents to the 10 persons making next best guess, \$100 each,	500
19 " " " " " "	25 " "
50 " " " " " "	10 " "
100 " " " " " "	5 " "
200 " " " " " "	2.50 " "
500 " " " " " "	1,000
4,895 " " " " " "	1 " 4,000

To all of the rest who subscribe and send a guess, whether correct or not, we will give an elegant piece of Silverware, valued at 50 cents or more, so that EVERY subscriber gets a present worth more than the subscription price.

SEND YOUR GUESS with name and address plainly written on a piece of paper the size of a postal card, and it will be recorded on our books at once. No charge is made for the guess, but in order to introduce our old and well established publication, **THE POST AND TRIBUNE**, into new homes, we require that each one answering this and sending a guess shall become a subscriber to our publication for at least three months, and send us thirty cents in postage stamps, postal note or silver, or fifty cents for six months' subscription, which entitles the subscriber to two guesses, or \$1.00 for one year and four guesses. The Jar will be opened and beans counted April 15th, 1890, by a committee chosen by the subscribers. Should no one guess the correct number, then the one guessing nearest will receive the first present of \$1.50. Should two or more persons guess the correct number, then the one whose guess is first received will receive the \$1,500 and the next the \$1,000, and so on.

YOUR SUBSCRIPTION FREE! If you will work among your acquaintances and form a club, we will send six 3 months' subscriptions for \$1.25; twelve 3 months' for \$2.50; 25 three months' for \$5.00; 50 three months' for \$10; 100 three months' for \$20. Each subscription to be accompanied with guess opposite name in plain figures. We send six months' subscriptions for \$2.50, 12 for \$5, 25 for \$10, and each subscriber is entitled to two guesses. We send three yearly subscriptions for \$2.50, six for \$5, twelve for \$10, twenty-five for \$20, and each yearly subscriber is entitled to four guesses.
