March 21, 1919.

## Select a Responsible Investment House

For the average investor, one of the most important considerations in selling or buying bonds is to be assured of the character of the firm with which he is doing business, its experience and the facilities which its various departments afford for selling, buying and investigating the worth of any security.

As an investment house with eighteen years' experience in buying and selling high-grade Canadian bonds we invite you to consult us in regard to your investment problems.

Correspondence Invited.
