Waterman's Ideal Fountain Pen.

A reliable fountain pen is now regarded everywhere by progressive people as the most practical and convenient writing instrument—a grateful relief from the drudgery of “dip” pens and untidy inkstands. The very best fountain pen is “Waterman's Ideal.”

It consists of:

A gold pen, the best that can be made.

A hard rubber holder of the best shape and the finest finish, containing an ink reservoir; and

A feed that conducts the ink from the reservoir to the pen point with absolute uniformity and certainty.

Its simple construction, the excellent materials used and the superior workmanship, make it, of all the fountain pens in the market, the one least likely to get out of order.

Price List.—Gold Pen and Plain Holder—No. 2, holds ink for 75 pages, \$2.50; No. 3, holds ink for 90 pages, \$3.50; No. 4, holds ink for 100 pages, \$4.00.

State whether you want a long or short nib pen. Address all orders, with price enclosed, to

The Municipal World, St. Thomas.
