DESCRIPTION

OF

SHAW'S GREAT WHOLESALE &
RETAIL FURNITURE

AND

PIANO ESTABLISHMENT

724, 726 & 728 CRAIG STREET, MONTREAL.

This is the Wholesale and Retail Agency for
the largest Furniture Manufacturer in the great
walnut growing countries of the United States,
from which the Furniture is sent in the rough,
and fitted up, finished and upholstered in the
finest style on the premises, thus enabling the
purchaser to procure the best material and workman-
ship of the American manufacturers at the least
possible cost. A fair portion of the furniture of the
Windsor Hotel, and all the furniture of the new
Ottawa Hotel, was purchased at this Establishment.
Shipments are made daily to towns in the Provinces
of Ontario, Quebec, New Brunswick, Nova Scotia,
and Prince Edward Island.

DESCRIPTION OF THE BUILDING (728).—
The basement floor of the main building contains
Common Chairs and Tables, Kitchen Furniture,
Mattresses, Gasaliers, Crockery, Oldcloths, Carpets
(new and second-hand), and Cheap Mirrors and
Pictures.

THE PIANO SALE ROOM (724) is also situated
on this flat which has a separate entrance at the west
front of the building on Craig street, and is approached
by a descent of a few steps from the sidewalk. The
fine flag pavement front was laid down without
expense to the Corporation, and has an arched vault
underneath for the reception of coal. The building
was erected by Mr. Shaw a few years ago at an
expense of \$37,000, and with land is said to be worth
about \$50,000. It is about 43 x 150 feet, comprises
about 30,000 square feet of flooring, is heated with
steam and is said to be one of the finest and best
arranged stores in Montreal.

THE PRINCIPAL FLAT, MAIN ENTRANCE,
(726) comprises a magnificent display of Bedroom
Furniture, including the new Elizabeth, Queen Anne
and Eastlake styles, in great variety and beauty of
style and workmanship; also Bookcases, Wardrobes,
Desks, Library and Centre Tables, Sideboards, Music
Stands, Bedroom Chairs and Ladies' Couches (in hair
cloth, reps and morocco leather), Ladies' Writing
Desks and Work Tables in great variety.

SECOND FLAT (APPROACHED BY A
LARGE STAIRCASE AND STEAM ELEV-
ATOR).—This flat comprises the Drawing-room and
Parlor Suites (in hair cloth, terry, reps, satins and
brocatelle) in great variety of style, in Carved Walnut
wood, and upholstered in soft and luxurious styles,
very rich and comfortable; the large Mantel Mirrors
and elegant Morocco Leather covered Dining Chairs
and Couches will also be found here; also the Store-
room for Silks, Morocco, Cretannes and Curtain
Stuffs.

THE THIRD FLAT is the large Storeroom where
the finished goods are arranged and prepared for
shipping and delivery, the great steam elevator being
kept almost constantly going for this purpose.

THE FOURTH AND FIFTH FLATS are
occupied by the workmen polishing furniture in oil
and varnish. The upholstery room is situated in the
west half of the fifth flat and is a lofty, well ventilated
room, with every appliance for the work carried on.

PIANOS AND ORGANS.—This is one of the
largest branches of business carried on by Mr. Shaw.
Being the Wholesale Agent of several of the leading
manufacturers in the United States, he sells to the
trade, schools, convents, and private parties probably
more than all the other dealers in the city. In this
way music teachers and others are able to procure a
good instrument at about one-half the usual selling
price. Mr. Shaw has now for sale the celebrated
Pianos of Albert Weber and Chickering & Sons, as
well as the "Hale" and "Vose" Pianos, which he
sells at the wholesale price, and guarantees every
instrument for five years.

TWO HUNDRED DOLLARS, in this way, will
purchase a first-class Rosewood Piano, 7 octaves,
with all the late Agraffe and other improvements, and
at this price is boxed and delivered free on board cars
or boat. All pianos shipped are carefully regulated
and tuned before packing, so that the purchaser will
be sure to have a first-class instrument ready for use
on landing. The same may be said of the Organs,
large numbers of which are sold and shipped from this
House. In this way many families in moderate cir-
cumstances are enjoying the pleasures of the Piano
and Organ, who otherwise could not purchase it, and
recently some of the well-to-do families, induced by
the general money stringency, prefer sending to Mr.
Shaw direct for their Pianos rather than pay nearly
twice the price for inferior instruments to travelling
agents and tuners, whose commissions are always
added to the price of the instrument.

PARTIES REQUIRING FIRST CLASS
PIANOS OR ORGANS should not pay any attention
to travelling agents, who decry the Pianos sold at this
House. The great names of Albert Weber, New
York; Hale, Chickering & Sons, and Vose & Sons,
are too well known in the great centres of trade to be
affected by their misrepresentations. These people
are generally employed in the country to sell worthless
Pianos, at from \$350 to \$500, giving from one to two
years' credit, and pocketing about one-half the price
for commission. By dealing directly with Mr. Shaw
this commission is saved by the purchaser, and a
reliable instrument secured.

PIANOS AND THEIR PRICES.—The highest
price for the grand "Weber" Piano, said to be the
finest in the world (same as ordered through Mr.
Shaw for the grand promenade of the Windsor Hotel)
at retail, is \$1,600, and the lowest price is \$650. Mr.
Shaw will take \$250 off the one, and \$600 off the other,
thereby allowing the private purchaser the trade
discount. The same will be done with the
"Chickering & Sons" Pianos. The several grades
of the "Hale" and "Vose & Sons" Pianos will be
sold at from \$200 to \$400 under the former price, and
all are warranted perfect instruments in the best Rose-
wood Cases, and guaranteed for five years. No
Basswood or bogus Pianos are sold by this house,
none but the best instruments of the best makers, and
a child can purchase as low as the smartest Yankee
at SHAW'S Wholesale Agency. Address HENRY
J. SHAW, Shaw's Buildings, Craig street, Victoria
Square, Montreal.
