

Welcome to Gourmet-Export

We are proud to invite you to this second edition of GOURMET-EXPORT, the Directory of Québec Food Products Exporters. This directory is a comprehensive review of the high quality agri-food products that Québec has to offer to World markets. Gourmet-Export will help you to quickly find the quality products that you are looking for or the professional services that you need.

Québec, a province of Canada, has been exporting a wide range of products renowned for their quality and distinction. The exporters, members of Québec Agri-Food Export Club, are respected worldwide for their reliability and professionalism.

The 1994 edition of GOURMET EXPORT offers foreign buyers a selection of two hundred and twenty specialized exporters and unique business opportunities. Please contact us at the Québec Agri-Food Export Club for any information about our companies, their products or services. We will be pleased to identify the suppliers that you are looking for.

Hoping to develop mutually beneficial partnerships.
