Strategis

Canada's largest business website, Strategis, gives business direct access via the Internet to the latest information on specific industries, export opportunities, company capabilities, international intelligence and business contacts. It also includes information new technologies and processes, management experts, market services, government programs, micro-economic research and much more. In addition to these information resources, Strategis provides businesses with easy access to Industry Canada experts. Canadian companies will be able to browse the site to find out about market opportunities in Canada and abroad, new state-of-the-art technologies, key alliances, training resources and government programs. One section of the site, the International Business Information Network, contains first-hand information on products in demand, market conditions, competitors and business opportunities abroad.
