CONGRATULATIONS TO PLAYERS IN GREY CUP GAME—MOTION UNDER S.O. 43

Mr. Steven E. Paproski (Edmonton Centre): Mr. Speaker, I rise on a matter of urgent and pressing necessity.

Some hon. Members: Hear, hear!

Mr. Paproski: As a former colleague of those who played in the Grey Cup, and as the owner of a jersey which bears the number 54, which is held in such awe by the Eskimos that they have been afraid to retire it. I would ask leave to move:

That this House congratulates all players in the Grey Cup game for continuing the tradition of exciting Canadian football which is now part of our sporting tradition.

Since I have quoted from my jersey, Mr. Speaker, I understand that I will have to table it, which I now do.

Some hon. Members: Hear, hear!

REQUESTED REMOVAL OF 5 PER CENT TAX ON DOORS AND WINDOWS MANUFACTURED IN QUEBEC—MOTION UNDER S.O. 43

Mr. Lorne Nystrom (Yorkton-Melville): Mr. Speaker, under the provisions of Standing Order 43, I ask for the unanimous consent of the House to introduce a motion.

In view of the fact that in its last budget the government decided to reimpose a 5 per cent tax on doors and windows because they are not considered as acceptable insulating materials, and since over 450 small businesses in Quebec alone will be seriously affected by that decision, I move, seconded by the hon, member for Winnipeg North Centre (Mr. Knowles):

That this House ask the government to review its decision and abolish that 5 per cent tax.

Mr. Speaker: Under the provisions of Standing Order 43, presentation of such a motion requires the unanimous consent of the House. Is there unanimous consent?

Some hon. Members: Agreed.

Some hon. Members: No.

POST OFFICE

PREFERRED POSTAL RATES TO QUALIFYING CHARITABLE AND SOCIAL SERVICE ORGANIZATIONS—MOTION UNDER S.O. 43

Hon. W. G. Dinsdale (Brandon-Souris): Mr. Speaker, I rise, under the provisions of Standing Order 43, to ask the unanimous consent of the House to introduce a motion dealing with a matter of urgent and public concern.

In view of the fact that charitable and social service organizations, such as the War Amputations Association, Care Canada, and many others are finding it increasingly difficult, if not impossible, to use the postal service for fund-raising because of service disruptions and constantly increasing postal rates, I move, seconded by the hon. member for Parry Sound-Muskoka (Mr. Darling):

That the Postmaster General, following the example of the United States and other democratic countries, be directed forthwith to grant preferred postal rates to qualifying charitable and social service organizations, so as to ease their present financial difficulties and not be forced to cut back or eliminate vitally important programs to disadvantaged groups in Canada.

Mr. Speaker: Presentation of such a motion for debate at this time would require unanimous consent. Is there unanimous consent?

Some hon. Members: Agreed.

Some hon. Members: No.
