MONTREAL, May 19th, 1923.

Sir Arthur Currie,
McGill University,
Montreal, Que.

Dear Sir Arthur,

On behalf of the Executive Committee of your Council of Social Agencies, I entreat your earnest consideration of the enclosed report.

Your Executive after having the report before them for a month, unanimously decided that its contents were sufficiently important to justify them in introducing it to you in this very personal manner.

We have instructed our Secretary to bring in a further report at the June meeting as to the manner in which some of the ideas and problems stated can be met; we shall welcome from you individually or from your Organization as a unit of the Council, any opinions, advice or comment with which you may care to favor us.

Trusting that we may hear from you shortly,

Yours truly,

W. Leggat

Acting Chairman,
Executive Committee.
