

September 27th, 1926.

Dr. A. Grant Fleming,
Managing Director,
Anti-Tuberculosis and General Health League,
9 Coursol Street,
Montreal.

My dear Dr. Fleming:-

I am enclosing herewith a
letter from Lord Atholstan, with a copy of my
reply.

I think we should have a
meeting immediately after the Reunion and place
this matter before the Directors. I am sorry
I cannot meet earlier.

Yours faithfully,

Chairman.
