WIOLENT TACTICS TOPRECIPITATE A ELECTION

Demonstration by Unionist "Die Hards" in Commons Yesterday Not Approved by Large Section of Party — Rioting in Belfast Expected Next Week.

Special to The Toronto World.
NEW YORK, May 21.—A special London cable to The New York World says:
The tumultuous scene in the house of commons this evening was carefully planned by the Unionists. It is to be continued Monday unless cooler counsels prevail. At present the Unionist party is being run by an extreme section, hoping to wreck the parliamentary machine as the means of precipitating a general election. When the Unionists trooped out of the house today, after the Speaker was unable to restore order and suspended the session, they shouted to the Liberals: "Get ready your election addresses," revealing the true motive of their conduct. The Liberals believe, however, that a couple of sessions of organized disorder will produce a split in the Unionist party, of which a large influential section disapproves these violent tactics.

Expect Belfast Riots.
If Premier Asquith had acceded to the Unionist demand and explained the provisions of the amending bill to be introduced in the house of lords, the Unionists would have rioted all the same. That bill will not satisfy them, because it merely embodies a scheme of county plebiscite for Ulster, which Asquith already has offered and Carson rejected. It is considered highly probable when the home rule bill passes the commons for the third and last time, on Tuesday, rioting will follow in Belfast. It is significant that Carson's wedding to 15-year-old Ruby Frewen, set for the end of next week, has been postponed till the end of July.

May Resort to Closure.
LONDON, May 21.—Tomorrow is private members day, so that the home rule debate will not be resumed until Monday, and the general opinion in the lobby tonight was that the interval would give opportunity for passions to subside and calmer counsels to prevail, especially as it is known that Arthur J. Balfour and the older members of the party disapprove of today's scene.

Should the disorderly tactics be repeated, however, it is believed that the premier will move closure, and the third reading division will be taken forthwith.

CONSIDERED FIRST TAMPIGO CLASH

U. S. Will Demand Reparation for Arrest of Bluejackets and Later Happen- ings.

NIAGARA FALLS, Ont., May 21.—The mediators learned from the American delegates in an hour's conference late today that the Washington government had approved the course of procedure outlined last night by Justice Lamar and Frederick W. Lehman, covering, it is understood, the consideration, first of all, of the series of incidents growing out of the arrest at Tampico of American blue jackets. While it is realized that the United States will demand reparation for the Tampico and subsequent incidents, it is believed here that the substitution for the treaty of a new government capable of observing international obligations, would be acceptable to the Washington government.

KINGSTON NOT TO LOSE LOCOMOTIVE ORDERS

Sir William Mackenzie Promises
Early Beginning to Train
Service.

KINGSTON, May 21.—Sir William Mackenzie said in an interview in this city today, that the Canadian Northern Railway, despite what has been said to the contrary, would continue to place orders with the Kingston Locomotive Works. He said that he entertained no resentment or petty anger against this city and that all the trouble in connection with the railway company, had been caused by shortness of money. He also said that the company would be running its trains in and out of Kingston in the near future.

RETIRING RULE GOES BACK TO COMMITTEE

Education Board, After Hearing More Protests Against Superannuation Refer the Question to Reconsideration of Special Body—Senior High School Principalship is Abolished.

With the gallery crowded and many spectators on the council chamber floor, the board of education had another evening of speech making last night on the cast-iron superannuation age limit rule.

Miss Knowlton for the local council of women, made an impressive address in support of the contention that it was an injustice alike to the teacher and public to retire a competent member of the staff if a woman at 60 or a man at 65, regardless of the special circumstances which might be involved.

Mrs. Robert Glasgow and the 58 societies affiliated in two local councils of women, with 7000 members, were strongly opposed to the arbitrary age rule. This was especially the case with regard to Miss Gray, principal of the Hester Howe School, Elizabeth street. Miss Gray had done a wonderful work among the foreign children there since her appointment a year ago, and no one knew of an efficient successor. The council of women are considered an injustice to retire lady teachers at 60, five years sooner than men.

Miss Zeinfeloff of the Central Neighborhood Home, said: "We, as citizens of the ward, protest against a change." Miss Gray should be retained for at least another five years. (Laughter and applause.)

A. R. Williams and J. S. Dean also spoke against enforced superannuation. A letter was read from Principal Falconer against a fixed age for the retirement of teachers.

The superannuation question was referred for reconsideration to the special superannuation committee.

The question of appointing a successor to Dr. Embree was referred back to the management committee.

The position of senior principal of high schools was abolished. In future the principals will act as seniors for a school term each in rotation, according to seniority.

MOOSE SEEN IN STREETS OF SAULT STE. MARIE

Residents Watched Its Movements and Its Swimming of River Unmolested.

Special to The Toronto World.
SAULT STE. MARIE, Ont., May 21.—A most unusual sight was witnessed at an early hour this morning by a few residents of this city, when a full grown cow moose evidently forced out of the woods by bush fires, was seen strolling thru the streets, making its way to the river. After swimming across the St. Mary's River it travelled thru the streets of the Michigan side, going upwards past the locks, where it took to the water again, returning to the Canadian side. The animal then sought refuge again in the woods, a short distance away.

MURDERER RUTTAN VENTED SPITE BY BURNING BARN OF NEIGHBORS POSSE, HEAVILY ARMED, ON ALERT

Inspector Greer, With 12 Men, Lay in Wait Last Night in Expectation That "Black Bill" Would Repeat Incendiary Acts —Ruttan Told Wife He Would Not Be Taken Alive.

By a Staff Reporter.
GRAND BURNHAMPTON, Ont., May 21.—Black Bill Ruttan, who on Wednesday shot Mrs. Alfred Coutherman and killed his daughter and George Coutherman, and then attempted the life of his son-in-law, 14 miles east of here, is still at large in the Muskoka wilds. The murderer continued his vengeful tactics last night by firing the barn and outhouses of three of his neighbors with whom he was on bad terms.

Henry Cook, one of the pioneers of Muskoka, lay in wait on Ruttan's house until 2 o'clock in the morning, and then returned to his home, three hundred yards distant. Scarcely had Cook dozed than the flames of his new barn shot skyward, and, despite the efforts of a dozen helpers, the structure was shortly reduced to ashes. Three of his best horses and one cow were burned to death, bringing Cook's total loss of \$2000, of which insurance covered only \$400.

Others Lose Heavily.
Half an hour after the firing of Cook's barn, F. J. Brazeo's barn and storehouse at Housey's Rapids were

Want Free Service on Provincial Radials

Local 1799, Carpenters, asked the Trades Council last night to adopt the following resolution: "That the Ontario Government enact that all merchandise, goods and passengers be carried free on radial railways throughout the Province of Ontario which are subsidized by the provincial government. Cost of operation to be met by a tax on all incomes of \$1000 and over."

This drastic socialist scheme was referred to the legislative committee for a report.

REPRESENTATIVE OF CARRANZA NOW IN MONTREAL IS LIKELY TO ATTEND PEACE CONFERENCE

Jose Vasconcel, in Canada on Financial Mission, Under- stood to Be Man Chosen— Constitutionalists Will Not Be Committed to Plan for Pacifying Mexico.

Canadian Press Despatch.
WASHINGTON, May 21.—The constitutionalists are preparing to send a representative of Niagara Falls to confer with the South American mediators, who are endeavoring to settle the Mexican problem. This will be done with the distinct understanding that the representative is to give information as to Carranza's purposes without committing the constitutionalists to any plan for the pacification of Mexico that the mediators may determine upon.

Jose Vasconcel, now at Montreal on a financial mission for Gen. Carranza, is understood to be the man chosen to go to Niagara Falls. It was said tonight by men in close touch with the constitutionalists that he would arrive there within the next few days.

ESCAPED FROM COURT BUT WAS BROUGHT BACK

Ten Year Old Lad Went to Peter- boro and Spent Two Weeks There.

The freedom gained by Joseph Liborwich, aged 10, of 14 Block avenue, when he escaped from the juvenile court two weeks ago was brought to an end when he was brought in from Peterboro last night. He and another boy had been charged with stealing newspapers from doorways, but when his turn came to face the charge he had disappeared from the court.

After making his escape he made his way to the Union Station and managed to get aboard a train for Peterboro. He told the conductor that his father lived there and the train official let him off at that place. For two weeks he lived a gay, free, open life in the vicinity of the town, but finally came under the eye of the authorities and was placed on board the train for Toronto by the sheriff of Peterboro.

CANADA'S DESIRE FOR PEACE IMPRESSED UPON MEDIATORS

Hon. Mr. Burrell Expressed Earnest Hope That Wise Counsel and Mutual Sym- pathy Would Solve Problem Over Which Whole World is Deeply Concerned.

By a Staff Reporter.
NIAGARA FALLS, Ont., May 21.—The banquet tendered the peace mediators and representatives by the federal government of Canada at the Chateau House late this evening resolved itself into a pleasant little love feast during which conversation on non-contentious topics flowed smoothly and entertainingly all the time.

On behalf of Canada, Hon. Martin Burrell extended the regrets of H.R.H. the Duke of Connaught, Rr. Hon. R. L. Borden, Sir John Gibson and Sir James Whitney at their unavoidable absence. The united hopes conveyed were that the outcome of the conference would be to drive the war clouds forever from American shores.

The minister referred to the hundred years of peace between the two English-speaking peoples on the continent and to the occasion, a century ago, when a similar peace conference had been held in Niagara. The two long steel bridges across the river he spoke of as representing the links of friendship, admiration and respect which bound the two countries together. By a happy augury Niagara had been chosen as the scene of a peace seeking assembly. The world was coming to recognize this location where the forces of nature were apparently at war as the most promising place to bind up in friendship the elemental forces of nations.

GOVERNMENT TO OWN RAILWAYS

Mellen, Former President of New Haven, Says Monopoly Must Be Made Ab- solute.

Canadian Press Despatch.
WASHINGTON, May 21.—An absolute monopoly of transportation, under government regulation and control, was suggested by Charles S. Mellen, former president of the New Haven Railroad, to the Interstate Commerce commission today as the solution of the American railroad problem. "To get efficiency and economy," declared Mr. Mellen, "there must be a monopoly, and that monopoly is certain to be the United States Government."

A little later he remarked, "Every time a railroad official comes to Washington he has to take off his hat to some government official."
