The tentative stage cannot be passed, however, until the board

takes office on May 5. It is understood that one of the subjects occasioning some considera-tion yesterday was the division of the vince into districts according to the act. It is likely that three of these will be in new Ontario, where the areas are so large. One of these would include Fort William, Port Arthur and locality, and the next would lie along the north shore of the lakes. Nipissing, Timiskaming and district would be embraced in one division.
