To the Millers of Manitoba and the Northwest:

GENTLEMEN:—The Hercules Manufacturing Co. of Petrolea, Ont., beg to announce that Messrs. Robert Muir & Co. of Winnipeg have been
appointed our Agents for Manitoba and the Northwest, who are prepared to give estimates on all kinds of MILL MACHINERY manufactured by
us, and also on the remodeling of old mills to our latest improved system.

THE COCHRANE ONE BELT DRIVE, CONTINUOUS TRAIN OF ROLLS, which are now at the head of all others. A saving of 50%
in power doing 35% more work. Can not be put out of Train. A more even granulation, giving a larger percentage of Patent Flour, thereby
increasing the capacity of the Bolts. This is the mill of the future; all others have to give place to it. Why spend you time and money on Rolls
which the millers of the United States and Canada have tried and found wanting and are replacing with the COCHRANE ONE BELT DRIVE.

THE HERCULES WHEAT CLEANING MACHINERY—Guaranteed to do better work in ONE operation than any other will do in FIVE.
Removes fuzz entirely from end of berry—something unattempted by any other Scourer.

THE HERCULES PATENT FLOUR DRESSER and a full line of FLOUR MILL MACHINERY and MILLERS SUPPLIES.

Hercules Manufacturing Company,
Petrolea, - Ontario.
