Moved by Mr. Barnett, seconded by Mr. Taylor,

That the Resolution respecting a grant of money in aid of the construction of a Battalion Drill Shed for this County, laid over from the January Session, be now revived and considered, which Resolution is in the following words: — Whereas by a certain Act passed by the Welland County Council, 24th January, 1867, intituled "An Act to appropriate money out of the County Funds to aid in the erection of Drill Sheds in the County of Welland," the sum of Two Hundred Dollars was granted to each municipality which erected a Drill Shed according to the Government plans and specifications, but irrespective of size for the accommodation of one or more Companies, no provision was made for the erection of a Battalion Shed. And Whereas the Government of Canada has offered the sum of Eight Hundred dollars towards the erection of a Battalion Drill Shed where there are two Companies at Headquarters: And Whereas a Battalion Shed will be for the use of all the Volunteer Companies in the County, and the cost of such a Shed would be in the neighborhood of Three Thousand Dollars, it would be unreasonable to expect the Town of Clifton to bear the whole expense — Therefore be it Resolved, and it is hereby Resolved, That the sum of One Thousand Dollars be granted in aid of the erection of a Battalion Drill Shed in the Town of Clifton, and that the Warden be authorized to issue his Cheque for the same, payable to the Municipal Council of the Town of Clifton, upon the completion of the Shed and approval of it by the Government Inspectors.
