REGULATIONS OF THE GOVERNOR IN COUNCIL UNDER THE PROVISIONS OF
"THE SEED CONTROL ACT OF CANADA."

His Excellency in Council is pleased, in virtue of the provisions of section 2 of The Seed Control Act 1911, to make the following regulations, and the same are hereby made and established accordingly:

1. The species of farm weeds which shall for the purpose of this Act be included within the meaning of the term "noxious weeds" shall be as follows:

Wild Oats (*Avena fatua* L.).
 Common Darnel (*Lolium temulentum* L.).
 Docks (*Rumex* species).
 Purple Cockle (*Agrostemma Githago* L.).
 Campions, including White Cockle (*Lychnis alba* Mill).
 Night-flowering catchfly (*Silene nociflora* L.) and bladed campion (*Silene latifolia* (Mill) Britten and Rendle).
 Cow Cockle (*Saponaria vaccaria* L.).
 Stinkweed (*Thlaspi arvense* L.).
 False Flax (*Camelina* species).
 Ball Mustard (*Neslia paniculata* (L.) Desv.).
 Wild Radish (*Raphanus raphanistrum* L.).
 Wild Mustard (*Brassica arvensis* (L.) and other wild *Brassica* species).
 Hare's-ear Mustard (*Conringia orientalis* (L.) Dunmort).
 Tumbling Mustard (*Sisymbrium altissimum* L.).
 Wild Carrot (*Daucus carota* L.).
 Field Bindweed (*Convolvulus arvensis* L.).
 Dodder (*Cuscuta* species) in alfalfa seed.
 Blue Burr or stockseed (*Lappula schinata*, Gilbert).
 Blue Weed (*Echium vulgare* L.).
 Ribgrass (*Plantago lanceolata* L.).
 Ragweeds (*Ambrosia* species).
 Ox-eye Daisy (*Chrusanthemim leucanthemum* L.).
 Canada Thistle (*Cirsium arvense* (L.) Scop.).
 Chicory (*Cicjirium intybus* L.).
 Sow Thistles (*Sonchus* species).

2. The maximum proportion of seeds of noxious weeds that may be tolerated in any other seeds without affecting their character as being free from the seeds of the said weeds within the meaning of section 6 of this Act shall be as follows:
