## Important Documents Found Among Garcia's Papers.

Quaym, Ecuador, July 28.—The government newspapers have caused a sensation here by the publication of documents found among ex-President Garcia's papers. A memorandum found in the papers of the late President Garcia, dated at Quito, Ecuador, July 28, 1906, is a copy of a letter from Garcia to the United States, dated at Quito, Ecuador, July 28, 1906, in which he offers to the United States the islands of the Galapagos for \$50,000,000 in gold for them and recognizing Ecuador's sovereignty over the islands.

Mr. Roosevelt's reply to Garcia's letter is also published. It is a letter from the United States to Garcia, dated at Washington, D. C., July 28, 1906, in which he offers to the United States the islands of the Galapagos for \$50,000,000 in gold for them and recognizing Ecuador's sovereignty over the islands.

## DODD'S KIDNEY PILLS

Are Awake to the Richness of the Country and Want Some of it.

A party of nine Pittsburgh capitalists en route for Cobalt spent Saturday in Toronto.

The continued discovery of seemingly unlimited mineral wealth in the Cobalt region is fast attracting capitalists and practical mining men from all sections of the United States.

The gentlemen composing the Pittsburgh party are not on a pleasure trip. They are in possession of facts which warrant the investigation they are about to make.

They have two reliable engineers in the field, who have reported to them such rich discoveries and unusual prospects that it is altogether probable after viewing the country and satisfying themselves personally they will inaugurate a large-scale operation.

Some members of the party will be engaged in such a project as the development of the Eureka Silver Mining Company. This property is now owned by the Eureka Silver Mining Company. It is situated on Lake Huron. This property is now owned by the Eureka Silver Mining Company. It is situated on Lake Huron.

The case went to the court of appeal, which reversed the decision of the trial judges as to corrupt practices.

Finally, on July 9th inst., a recount was held at Port Arthur, which resulted in Mr. Kennedy's majority.

Mr. Kennedy's majority was 14, being the result of a majority of 15 for W. A. Preston, the Conservative candidate.

The proceedings at court this morning were a continuation of the recount and the consideration of a number of legal points.

Mr. Kennedy was represented by Mr. H. M. Mowat, K. C., and Mr. Preston by Mr. W. J. Elliott. Neither of the candidates were present.

Mr. Kennedy holds that the votes of foreigners whose names were on the list and voted, should not be counted.

Mr. Preston replies that the fact that they have voted is sufficient to entitle them to have their votes counted.

The jurisdiction of single judge in trying cases of corrupt practices was also argued.

Mr. Justice Tait thought that he alone could not hear arguments as to the right to vote of those charged with corrupt practices. He was not certain of this and would consult the other judges.

In regard to the validity of the votes of aliens and minors, the rule of law is that they are not entitled to vote. The votes were not valid unless the voters had the fundamental qualifications of being British subjects and being of age.

The judge then adjourned the case till October 8, at Port Arthur.

The case will be heard by two judges if necessary, and then Mr. Justice Tait will consider the evidence as to aliens and minors.
