Peleg Howland of H. S. Howland Co. NEW PASTOR INDUCTED

Rev. Dr. Robertson Now in Charge of 406 St. James' Square Church.

Phones-Coll. 2685; Coll. 136; Evenings, Main 6764. In the presence of a crowded congregation Rev. Dr. Andrew Robertson, for 13 years pastor of St. Andrew's Presbyterian Church, St. John's, Nfid., was inducted to the ministry of St. James'-square Presbyterian Church last night.

Following the satisfactory answer of the questions of belief which were put by Rev. Dr. Gandier, the members of the Toronto Presbytery, who attended in a body, gave the right hand of fellowship to the new minister.

Rev. A. L. Geggie, in preaching the induction sermon, touched on the fact that Dr. Robertson and he had worked that Dr. Robertson and he had worked together in Edinburgh some years ago, out after a vote had been taken, the court after a vote had been taken, the Following the satisfactory answer of

that Dr. Robertson and he had worked together in Edinburgh some years ago, the assured the new minister of the loyal support of his new congregation. Rev. G. R. Fasken in his address emphasized the fact that a minister of the session. The government mustered 87, and the opposition 53, giving a majority of 34. This bill sought to free municipalities from paying any was not an ornament nor the special. was not an ornament, nor the special property of one section or clique of a congregation. He belonged to but one class—the class which needed him. At the close of the service, Rev. Dr. Rob-ertson was introduced to the session Mr. Graham's chief argument against nd the congregation.

veloped land, and also licensing clause, which, after the rejection of licensing the licensing bill, now appeared in a

worse form.
Of What Use? This "tacking on" was obvious, he said, and added that evidences of the unrest caused by the budget bill were everywhere. Consols had dropped, prices had fallen and untold millions the matter of the contract dealt with by the railway commission.

How matter of the contract dealt with by the railway commission.

How Mr. Graham in moving the six months hoist, said he did so for two reasons: (1) The bill was not an amendment to the general railway act but of capital had been driven abroad. Of was designed to meet a specific case, what use, he asked, was the house of and (2) that the principles of the bill
