orable circumstances with a railroad right at its door, while Gow Ganda, on the other hand, was handicapped in the matter of transportation and is still forty-five miles from a railroad.

· · · · · ·

Ler,

It is obviously a fair inference from this comparison that the Gow Ganda district, with its twelve hundred square miles of territory. is destined to be a worthy addition to the great silver camp of Northern Ontario.

In all this territory, no point holds better possibilities than Lost Lake, on which six of our properties are situate.
