## Last Week a Banner One For the League Bowlers

Feature Was Central's Record Score in Games Against Royals B in the City League—Standing and Games Scheduled.

Last week was the banner week for the season's rolling in the different bowling leagues, especially the City, when the Royals B, the leaders in the race, dropped two to the Central. The rolling of the latter was the best seen here for many moons, especially their second frame of 106, which will stand for some time to come, as will also their grand total of 281.

Royal Canadians and Americans met for the first time this season, the champions having to be content with two games. This week the Royals meet the Dominion, who are second in the league, and a win for either will likely result in a change of the first series. Last Saturday night Rosedale and Floral, who were tied for first place in Class A of the Oddfellows' League, closed the former walking away with three straight and incidentally making 255, establishing a league record, which they again broke Friday night by 29 pins, when they took all three from Laurel, who were only two teams to play before the series closed. Rosedale B have a lead of three games over Floral in Class B and altogether it looks a double win for the one lodge.

The World is leading in the morning section of the Primers by a slight margin over the Globe, and as these teams meet this week, there is bound to be something doing. Newton-Treloar is still leading in the evening section.

The Royals held their lead in the Central, with Branches and Brunswicks tied for second, only three games behind the leaders.

No less than 90 bowlers reached over the 600 mark last week, including four of the 600 mark, who were as follows: Johnston, Royals B, 824; Pat Phelan, Queen City, 820; W. Martinson, Central, 816; and P. Jennings, Royal Canadians, 802.

### TORONTO HOCKEY LEAGUE

Meet and Elect Officers For Coming Season—Other Business Done.

The Toronto Hockey League, of which Fred Waghorn is the father, met at the Central Y.M.C.A. Friday night and elected the following officers:

Honorary patrons, J. J. Ward, Ed Mack, W. K. George, J. J. McCaffery, E. Boisseau, Ald. McBride, D. J. Sellers, E. Barrow; honorary president, J. D. Bailey; honorary vice-president, Bert Love; president, W. B. Hunter, Eureka A.C.; vice-president, C. J. Atkinson; secretary, secretary-treasurer, F. S. Buck, 34 Badgerow-avenue, or 339 Church-street, phone Main 7241; executive committee, officers of the league, together with one representative of each club in the league.

Greatest interest was taken in all matters brought before the meeting, and to date there are enrolled 16 clubs with a total of 25 teams with at least four clubs, and five more teams to hear from. The Toronto Hockey League holds the enviable position of being the largest hockey league in the Dominion, playing on open rinks, and it is noted with pleasure that nearly every athletic organization which is interested in hockey is either directly or indirectly associated with the Toronto Hockey League.

The following clubs and teams are entered to date: Maple Leaf, junior and juvenile; Simcoe A.C., senior and junior; Broadview, intermediate, junior and juvenile; Victor A.C., senior and intermediate; Little York, juvenile; Jarvis Baptist, intermediate; Atlantic, juvenile; Kew Beach A.C., senior and junior; Eureka, senior and junior; Weston, intermediate; Lambton Mills, intermediate; Beach Success Club, junior; Walmer-road Baptist A.C., intermediate; Granite A.C., intermediate and junior; Y.M.C.A. Boys' Club, junior and juvenile; St. Michael's College, I.C. B.U., Grenville A.C., Heward's, Young Toronto, J. F. Brown Company, and any others wishing to enter a team in the league.

### Shamrocks After Championship.

MONTREAL, Dec. 7.—Shamrocks will make once again a bid for the hockey championship, and President Humphrey and Secretary W. P. Lunny, the Shamrocks of sport, have been busy for a couple of weeks figuring. Finally they have made a selection. Nicholson, the Shamrocks' goalkeeper, of the Wanderers and the little man of iron, and afterwards the professional league, is going to be the nucleus of the Shamrocks. Nicholson was arranged last night. Who the others are going to be is not yet definitely known, but it is a fair bet that Piro and Laviolette, the two French-Canadian hockey and lacrosse players, will be a part of the team, and that Jimmy Gardner will be another of the septet.

### KIPLING'S VIEW.

"Oh East is East and West is West And Never the Twain Shall Meet."

The following Limericks on the above have been written:

There was a young man from the East Who said, "I don't care in the least What you have in the jug; Just all up my mug."

And he soon was too full for the feast.

A more careful young man from the West Insisted on having the best Said he, "First be sure That the Whisky is pure; Is it 'Fisherman' That is the best."

"Fisherman" is a fully matured fine pure old Highland Scotch Whisky. A. Kelly Evans, Sole Canadian Agent, 25 East Front-street, Toronto.
