ANNUAL REPORT

OF THE

Deacons' Court & Managing Committee

OF

ST. ANDREW'S CHURCH, LONDON, ONT.,

FOR THE YEAR 1868.

In submitting the Eighteenth Annual Report since the settlement of our Pastor, the Rev. John Scott, the Deacons' Court and Managing Committee desire to acknowledge the goodness of God for His watchful care over us as a congregation during another year, and for continuing to us the blessings of peace and prosperity; and above all we desire to render our sincere thanks for the great blessing of having the Gospel faithfully preached to us. May the good seed sown in the hearts of young and old, take deep root and bear fruit an hundred fold to the praise and honour of God's Holy name.

Since our last annual meeting, the hand of death has been amongst us, removing the old, the middle aged, and the young, some of whom were called away very suddenly, reminding us that "in the midst of life we are in death," and that "we know not what a day nor an hour may bring forth."
