QUEEN MARY PREPARING HER JEWELS
Glorious Diamonds to Be Worn at the Coronation Ceremonial
NOT SEEN FOR YEARS

Highly Prized Possession is Magnificent Coronet of Indian Gems Which Victoria Wore When Young—New Plans and Features of the Great Event
(Ottawa Press)

London, March 20.—The weaving of the Ash of gold for the coronation robes of the king and queen has been begun at Messrs Warner's silk works, Braintree. By order of the queen, who is specially interested in the British silk industry, the materials will be entirely of British make.

Queen Mary has already begun the fascinating task of overhauling her fine collection of jewels. Diamonds are her favorite precious stones, and among the crown jewels which came into her possession she found several handsome specimens which have not been the light for several years, but they are to be worn during the coronation festivities.

Several new features for the coronation programme have just been announced. Previous to the departure of the foreign guests the king and queen intend to give a garden party in the grounds of Buckingham Palace, a function to be run on the lines of the late king's garden parties at Windsor.

London, March 20.—A coronation concert at which the king and queen will be present is to be given in the Albert Hall on May 20, by the cooperation of the Royal Albert Hall, the Royal Choral Society, and the Royal Amateur Orchestral Society.

It is probable that the king and queen will drive through the east end of London on June 29, the day on which they will attend a service in St. Paul's cathedral.

CANADIAN SCOUTS TO THE CORONATION
Headquarters Announcement of Project Also Puts The Ban on Scheme Forwarded in Montreal
(Ottawa Press)

Ottawa, March 20.—A notice from the headquarters of the Canadian Boy Scouts, Ottawa, says: "The attention of the chief scout and the dominion council has been called to an announcement by a Montreal weekly publication, that arrangements were being made towards sending a party of boy scouts to England to witness the coronation ceremonies. It is desired to announce that this scheme has not the approval of the dominion council, and all scout associations are warned against participating in it. The dominion council does not approve of the boy scouts being made the basis of an advertising scheme, a policy directly opposed to the principles of the movement."

Arrangements are now being made by the dominion council towards sending a contingent of Canadian boy scouts, representing each province, to England in June, either to attend the coronation or to participate in a rally to be held at Windsor Park in July. The discipline and care of such a party is of so much importance that the utmost caution will be exercised to ensure competent officers being in charge, and every precaution taken to safeguard the welfare of the boys.

Albert Hall, which seats 10,000 persons and is the largest building in London in which meetings can be held, has been secured, provisionally, for April 1 for the great demonstration. It is hoped that the Albert Hall meeting has been deferred until the end of next week.

PERMANENT PEACE IN ALL THE ENGLISH SPEAKING WORLD
Anglo-American Arbitration Treaty Proposals Welcomed in Hundreds of Churches in England Yesterday
(Ottawa Press)

New York, March 20.—A cable dispatch from the Tribune's correspondent in London states that the proposals for an Anglo-American arbitration treaty were welcomed in hundreds of churches yesterday. The Anglicans were not silent, but the heartiest responses were from the evangelical free churches. Since the national council had sent out a general appeal for an emphatic expression of approval of the treaty, the Anglican churches, which are the largest in the English speaking world, have responded accordingly.

Mr. Meyer had been sending out cables to friends in America and hopes that the enlightened opinion of the religious bodies of both countries can be expressed simultaneously at meetings to be held early in April. He considers it of the utmost importance that Sir Edward Grey and President Taft, having appealed for the moral force of public opinion, should have it at the earliest possible moment, so as to strengthen their hands and encourage them to persevere in reducing the proposals to a practical form. While there is no central committee in the established church to initiate similar action, the urgency of the situation has led to the formation of a committee of prominent bishops and the clergy to ensure competent officers being in charge, and every precaution taken to safeguard the welfare of the boys.

HE CONFESSES TO THE BRUTAL KILLING OF GIRL
Insanity, However, Will Be Pleaded in Effort to Save The Life of Edward Jardine
(Ottawa Press)

Goderich, Ont., March 20.—Edward Jardine, aged twenty-two years, now confined in the county jail here, awaiting trial at the spring sittings next month for the alleged murder of Lizzie Anderson, has made a complete confession that he alone committed the deed.

This confession was secured by Dr. R. W. Bruce Smith, inspector of prisons and asylums of Toronto, who was here on Saturday. Chief Coroner Arthur Jukes Johnson, of Toronto, was also here to examine the sanity of Jardine and George Vanstone. The latter is awaiting trial on a charge of murdering his six-year-old son here last fall.

In the statement made to have been given, Jardine admits that he enticed the Anderson girl from the fair grounds to a vacant building a short distance away. After some alterations in which she threatened exposure, he struck her with a jackknife and she succumbed almost immediately. This murderous attack, Jardine alleges, was due to a fit of temporary insanity. Later he returned and stripped the body of its clothing by slashing away each article with his knife. It would be the defence in the case of both Jardine and Vanstone.
